

Safety Check Focus Questions

After hearing the synopsis of the Safety Check System being proposed:

1. What concerns, if any do you have?
2. What advice do you have for the best way to implement this system? What should we be careful to do and not to do?
3. What advice do you have for the best ways to get information to your community (neighbors / constituents) about Safety Check?
4. Would you be willing to help with communication or implementation? How could you help?
5. Is there anything else you'd like to add?
