AVID Student Engagement: Key Takeaways By Committee

Academics / CTE

What is NOT working at your school?

-

Athletics

What is NOT working at your school?

- NEW ideas:
 - One group felt that “sports is not diverse and inclusive”
 - Issues with sexism from coaches, and some students are tired of the gender binary enforced in athletics (“gender binary is old”)
 - One group suggested co-ed athletics options
 - Tryouts are too stressful, sports generally too competitive (we heard similar comments from parents about over-competitiveness, but hadn’t heard this from committee members or district staff)
 - One group suggested adding less competitive options
- Reinforced:
 - Facilities + equipment are in poor condition and do not support athletics / PE
 - 6th graders would like access to participate in athletics! (said by committee members, but important that this is reinforced by that group themselves)
 -

Facilities

What is NOT working at your school?

- NEW ideas:
 - Need different kinds of spaces for students to relax, meditate, and calm down
 - So that they can make better choices, and not choose violence - Sadler Means
 - Defunct furniture
 - **Stairs not wide enough - congestion leads to trouble - Murchison MS**
 - Pests
 - Bathrooms lack basic supplies: toilet paper, soap, paper towels
- Reinforced:
 - AC not working
 - Not enough bathrooms and/or in poor condition
 - Not enough lunch space

Safety, Security & Resiliency

What is NOT working at your school?

- NEW ideas:
 - They are all working - Murchison MS
 - The counselors do not help and do not give good advice - Martin MS

- Dress code is too strict and not applied fairly to all students (like certain groups and girls and curvier girls), the dress code sexualizes children - Murchison MS
- Nurse is overworked and we have to wait too long to be seen - Murchison MS
- GoGuardian, scheduling with counselors. - Murchison MS
- Student to Teacher relationships, Prevention of bad rule following & access and ability to go throughout the school without restriction. - Eastside HS
- Security guards are biased. - Murchison MS
- Reinforced:
 - The cameras in half the school - Murchison MS
 - There could be more security at our school like more security guards and some backpack checks once in a while for safety and more practice drills. - Murchison MS
 - Not enough security guards. Teachers don't notice a lot. - Murchison MS
 - Students were getting into fights too often, not enough hall monitors. - Murchison MS
 - I think they should update the school security system. - Bertha Sadler Means

Technology

What is NOT working at your school?

- NEW ideas:
 - Restrictive cell phone policies
 - Quality of Chromebook devices
 - Restrictive website access
 - One comment noted as a barrier for teacher to access educational materials
- Reinforced:
 - Teachers lacking sufficient technology training to operate equipment
 - Spotty / slow WiFi access
 - A/C, power, bells, printers - building infrastructure not working or lacking
 - Intentional balance of technology vs. analog in education

Transportation, Food Services & Maintenance

What is NOT working at your school?

- NEW issues:

 - Seats on busses are worn down and there are no seatbelts. (*Northeast ECHS*)
 - Bus drivers drive too fast. (*Murchison MS*)
 - Food Services
 - Only offering milk as a drink at HS is not good. (*Northeast ECHS*)
 - Maintenance

- Outdated/broken indoor and outdoor furniture is a distraction (leans/tips) (*Northeast ECHS*)

 - “Food is expired”
 - “Food is uncooked/undercooked”
 - “Old or half-frozen food”/ “Food is clearly frozen, not fresh cooked”
 - “Food is not healthy or fresh”
 - Lunch lines are too long and it’s resulting in students not having enough time to eat. (*Murchison MS, Eastside ECHS*)
 - Students feel they don’t have meal options with dietary restrictions. (*Murchison MS*).
