**CASE NOS. IR2021-08-001 and IR2023-10-004**

<b>IN RE:</b>	§	<b>BEFORE THE TEXAS EDUCATION AGENCY</b>
	§	
	§	
<b>AUSTIN INDEPENDENT SCHOOL DISTRICT</b>	§	<b>COMMISSIONER OF EDUCATION</b>
	§	
	§	
<b>CDN # 227-901</b>	§	<b>STATE OF TEXAS</b>

**AGREED ORDER**

This Agreed Order is entered into as of \_\_\_\_\_, 2023 (the “Effective Date”), by and among Austin Independent School District (the “LEA” or “Local Educational Agency” or “Austin ISD”) and Texas Education Agency (“TEA” or the “Agency”). The LEA and TEA are sometimes referred to collectively herein as the “Parties,” and each, at times, as applicable, a “Party.”

**RECITALS**

**WHEREAS**, Austin ISD is presently the subject of a completed special investigation final report of the TEA Special Investigation Unit (the “Special Investigation Unit” or “SIU”) that recommended that the Commissioner of Education install a management team of conservators and require the completion of a 3<sup>rd</sup> party audit but is pending a final sanction determination by the Commissioner of Education;

**WHEREAS**, Austin ISD did not dispute the findings of the Final Investigation Report (referenced here and incorporated in full); specifically, the following:

- SIU reviewed 43 investigations by TEA’s Office of Special Populations Monitoring (OSPM) from federal fiscal years (FFYs) 2020-2021, 2021-2022, and 2022-2023 based on complaints on behalf of individual students that were submitted directly to TEA. From those 43 investigations, OSPM confirmed that Austin ISD committed 40 violations of special education requirements. Out of the 40 substantiated violations, SIU identified 13 violations regarding the district’s failure to meet requirements regarding child find and/or initial evaluations and initial eligibility timelines and 11 violations concerning the implementation of individualized education programs (IEPs).

## **PROPOSED AGREED ORDER**

Based on the findings of fact for Allegation One, TEA determined that Austin ISD has repeatedly failed to meet special education requirements under state and federal statutes, rules, and regulations.

- After OSPM confirmed that Austin ISD was noncompliant with state and federal special education requirements, the district proposed, and TEA accepted, a Corrective Action Plan (CAP), to be executed within one (1) calendar year of the identification of noncompliance. As of October 30, 2021, Austin ISD had not met the one (1) calendar year timeline, and as of the writing of this report, has not been able to fully implement the corrective actions. Although OSPM continuously monitored and supported Austin ISD, the district failed to complete the requirements of the CAP and remains noncompliant. Austin ISD also failed to comply with an additional CAP issued by OSPM that was due October 20, 2022.

**WHEREAS**, Austin ISD's Board President, Superintendent, and other district leaders participated in an Informal Review meeting with the Commissioner of Education wherein they acknowledged special education deficiencies and governance shortcomings and also acknowledged the benefits of TEA intervention;

**WHEREAS**, the Parties wish to resolve the matter without further delay;

**NOW, THEREFORE**, in consideration of the recitals, agreements, and representations, made herein, the receipt and sufficiency of which are hereby acknowledged, the Parties stipulate, covenant, and agree as follows:

### **THE AGREEMENT**

#### **1. Incorporation.**

1.1 The recitals set forth above are incorporated herein and made a part of this Agreed Order. The Parties agree that the recitals are materially true and correct.

#### **2. Execution of Agreed Order.**

2.1 The Parties agree to execute this Agreed Order on or before September 29, 2023.

#### **3. The Agreed Terms.**

3.1 The LEA agrees to the placement of one or more TEA-appointed monitors (otherwise referred to herein as a monitor team) as described by Tex. Educ. Code § 39A.002(6)

## **PROPOSED AGREED ORDER**

and the timely completion of specified corrective actions more fully described below in Paragraph 3.6. The monitor or monitor team may report to TEA findings of fact relating to its review of LEA milestones and compliance with this agreed order.

3.2 In the event a monitor proposes findings of fact and the Commissioner of Education concurs that the LEA has failed to complete any of the corrective action described in Paragraphs 3.5-3.7 by the timeline described (if applicable), including whether a policy change required under § 3.6(b)(iii) fails to meet the requirements contained in that section, the LEA agrees to the placement of one or more TEA-appointed conservator(s) (otherwise known as a management team, if applicable) as described by Tex. Educ. Code § 39A.002(7)-(8) and Tex. Educ. Code § 39A.003. The LEA additionally agrees to comply with any authorized directives of such an appointed conservator or management team. The LEA waives any right to a hearing before the State Office of Administrative Hearings (SOAH) or action in a state or federal court regarding the appointment of a conservator or management team arising under this agreement, the TEA Special Investigation final report referenced above, and any sanctions or interventions derived therefrom.

3.3 In the event Paragraph 3.2 becomes applicable, the Commissioner of Education shall describe the powers and duties of the conservator or management team in such a way that does not exceed that authority described by Tex. Educ. Code § 39A.003, and TEA shall comply with all other laws relating to the placement of a conservator or management team.

3.4 The Parties agree that TEA's FINDINGS fully described in TEA's Special Investigation Final Report constituted sufficient evidence to sustain the findings that provisions of 34 CFR Ch. 300, Tex. Educ. Code Ch. 29, subch. A, and 19 Tex. Admin. Code Ch. 89 were violated due to ongoing complaints and findings from the TEA's OSPM investigations and the

## **PROPOSED AGREED ORDER**

continued systemic noncompliance in special education demonstrating that Austin ISD failed to create and implement effective changes that correct the long-standing noncompliance.

3.5 Based on the findings referenced in Paragraph 3.4, Austin ISD will agree to one or more TEA-appointed monitors to observe and report on board actions and the special education program, to be removed upon the successful completion of the corrective action plan (CAP) set forth in Paragraph 3.6 and when Austin ISD becomes compliant with the Texas Education Code and the applicable provisions of the Code of Federal Regulations, as determined by the Commissioner of Education in his sole discretion.

3.6 In order for Austin ISD to bring itself into compliance with all special education laws and to create the governance and administrative conditions necessary to achieve compliance, TEA requires Austin ISD to complete the following corrective action plan items by the deadlines, if applicable, set out below:

(2) the calculation of time spent discussing any topics during board meetings for purposes of subparagraph (1) above shall include both open session and closed session, excluding time spent on public comment portions of the board meeting; and

(3) at each meeting of the Board, the Board will publicly report, by reading into the record, the percentage of time invested in student outcomes during the prior board meeting;

(iii) In order to create the governance conditions necessary for the Superintendent to have the flexibility and decision-making authority necessary for Austin ISD to expeditiously achieve compliance with special education laws, the Board will, no later than December 31, 2023, amend its policies and procedures to reflect governance best practices, including but not limited to the following:

(iv) With regard to the above-referenced policies revised in accordance with this order, the Board will not make substantial changes to revert to prior policy language for five years from the date of this Agreed Order or from the date the policy changes have been approved.

3.7 Additionally, the LEA agrees to procure, at its own expense, an external audit, as authorized by TEC § 39A.902. The external audit must consist of a full and comprehensive evaluation of the LEA's special education program and related services, including, but not limited to, compliance with federal and state statutes, rules, and regulations related to special education; internal controls; governance issues; and any additional factors that are relevant to the LEA's implementation of special education services. The LEA agrees to fully cooperate with TEA requests for information and interviews regarding this external audit.

## **PROPOSED AGREED ORDER**

3.8 The agency may choose, at its sole discretion, to provide for an extension of a stated timeline, if the district has made a good-faith effort to communicate with the agency regarding the preparation and production of the required responsive documentation.

3.9 Any Agency decision to not proceed with an enforcement action for an individual timeline requirement does not invalidate the Agency's ability to enforce strict timeline requirements at a future date. Any such extension does not invalidate the Agency's ability to enforce the appointment of a conservator or management team at a future date.

3.10 The Parties agree and stipulate that upon the appointment of one or more monitors that the Agency shall have fulfilled all requirements under the Texas Education Code, Texas Administrative Code, and any other relevant law or rule, as it relates to the appointment of the monitor or team of monitors.

3.12 In the event Paragraph 3.2 becomes applicable, the Parties agree that, when calculating the date of the placement of a conservator or management team, the date the conservator or management team is placed shall be the date the Commissioner issues an enforcement letter ordering the placement of the conservator or management team.

3.13 If the appointment of a monitor team or a conservator (if applicable) is found to be legally invalid for any reason, then this Agreement shall have no further legal effect, and TEA shall retain the right to re-initiate the review and assign any sanction or intervention legally

available to the Commissioner of Education at the time the monitor team or conservator appointment is found invalid, subject to any procedural rights available to the LEA at that time.
