

# Facility Master Plan 2019 Update Survey Results

More than 4,400 people—with representatives from every family of schools—took the survey, which focused on the current state of AISD's athletics, fine arts and CTE facilities. This feedback from the AISD community and stakeholders will help to inform recommendations that the Facilities and Bond Planning Advisory Committee will make for the FMP update.

## ***Athletics and Wellness***

Participants  
want athletics to be:

**Competitive**  
**Inclusive**  
**Modern/Improved**

Athletics today:

**Underfunded**  
**Not Competitive**  
**Outdated**

Most participants want to improve individual campus athletic facilities.

Most participants would like to include more wellness programs as well as programs open to the community.

## ***Career and Technical Education and Career Connected Learning***

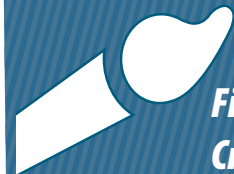

Participants  
want CTE to be:

**Innovative**  
**Career Relevant**  
**Inclusive**

CTE today:

**Limited**  
**Relevant**  
**Focused**

Most participants want CTE facilities to be more innovative and house more programs across the district.

## ***Fine Arts and Creative Learning***

Participants  
want fine arts to be:

**Funded**  
**Inclusive/Diverse**  
**Creative**

Fine arts today:

**Underfunded**  
**Creative**  
**Inclusive**

Most participants feel that individual campus performing arts centers need improvement as well as more funding/supplies.

Portable  
concerns:

## **Health & Safety**

Most participants think it's important to reduce the use of portables.
