

Long-range Planning Committees

Decision-Making Workshops

Purpose

These hybrid workshops are intended to use the work of the Long-range Planning Committees (problem statements, root cause analysis, and strategies) to determine which strategies that require future bond funding should be prioritized and submitted to the Bond Steering Committee for its consideration. These workshops may constitute a quorum of the committees, however, no formal action will be taken.

Meeting Location

In-person option: 4000 IH-35 SB Frontage Road; Room locations to be determined

Virtual Option Zoom Links:
