

Austin ISD Redistricting

Notes on ILLUSTRATIVE PLAN 1

Indicating modifications to existing trustee districts
based on Elementary Attendance Zones

- District 1** Added portions of Maplewood and Graham Elementary Zones east of I-35, extending District 1's boundary all the way to the northern AISD District boundary.
- District 2** No changes to the District boundaries.
- District 3** Added Ridgetop and portions of Lee, Maplewood, Reilly and Blanton zones. Moved a portion of Summit to District 4. The District's southern boundary extends to 38th Street. Currently and in the proposed plan, Pillow Elementary attendance zone is divided between Districts 3 and 4. The majority of Pillow is in District 3, while the school itself is in District 4.
- District 4** Added portions of Summit, Bryker Woods and Casis zones extending the District's southern boundary to 35th/38th Street. Currently and in the proposed plan, Pillow Elementary attendance zone is divided between Districts 3 and 4. The majority of Pillow is in District 3, while the school itself is in District 4.
- District 5** Added Barton Hills and portions of Zilker, majority of Oak Hill, Patton, and small portion of Sunset Valley Elementary Zones. The District extends to the south and the west.
- District 6** Loses Barton Hills and portion of Zilker Elementary Zones.
- District 7** Loses small portion of Sunset Valley, portion of Patton, and majority of Oak Hill Elementary Zone.
