

# Type 1 Modernization

- New build or tear down and complete rebuild
- Campus Architectural Team (CAT) works with architect and contractor through design and construction process
- Built to Ed Specs
- New drop-off/pick-off, bus loops
- Completely new furniture
- Enhanced safety features/safety review
- Enhanced/welcoming entrance

## Example: Govalle ES

Left: Front Entrance

Top Right: Collaboration Area

Bottom Right: Library

## Type 2 Modernization

- A major gut, but some interior walls or load-bearing structures remain
- Most, if not all mechanical system replaced
- Significant interior redesign/often exterior redesign
- Campus Architectural Team (CAT) works with architect and contractor through design and construction process

## Same as Type 1 Modernization

- Built to Ed Specs
- New drop-off/pick-off, bus loops (*only if needed*)
- Completely new furniture
- Enhanced safety features/safety review
- Enhanced/welcoming entrance

## Example: Sanchez ES

Left: Front Entrance

Top Right: Collaboration Area

Bottom Right: Library
