Travis High School
Campus Improvement Plan
2020/2021

Christina Hantgin
1211 E. Oltorf St., Austin, TX 78704
(512) 414-2527
christina.hantgin@austinisd.org
Campus Mission
Personalize education for every student every day in order to propel them towards their future goals by providing a safe environment where all stakeholders are engaged in learning and every student’s potential becomes a reality.

Campus Vision
Travis ECHS will be an educational center for the community where every student graduates prepared for their future.

Campus Values
Our values are based on 6 pillars: Literacy, Observation Protocol, Professional Learning Communities, Site Based PD, Standards Based Grading, and Social Emotional Learning.

Texas Public Education Mission Statement
The mission of the public education system of this state is to ensure that all Texas children have access to a quality education that enables them to achieve their potential and fully participate now and in the future in the social, economic, and educational opportunities of our state and nation. That mission is grounded on the conviction that a general diffusion of knowledge is essential for the welfare of this state and for the preservation of the liberties and rights of citizens. It is further grounded on the conviction that a successful public education system is directly related to a strong, dedicated, and supportive family and that parental involvement in the school is essential for the maximum educational achievement of a child. (TEC Title 2, Ch 4, Sec.4.001)

Austin Independent School District Mission
Austin ISD educates more than 80,000 students and embraces 129 diverse school communities in one of the fastest-growing metroplexes in the country. In partnership with our families and our community, AISD’s mission is to provide a comprehensive educational experience that is high-quality, challenging and inspires all students to make a positive contribution to society. We partner with world-class universities, innovative businesses, nonprofit organizations and engaged community leaders to prepare our students for college, career and life.
Element 1: The Comprehensive Needs Assessment (CNA) is included for all campuses. The 2020-21 CIP Development and Review Timeline is attached to this plan. It includes dates that the data was analyzed, the CIP was developed/revised, and the CIP will be evaluated.

Element 2: CIP Requirements are identified as Strategies. Once published, a living draft of this plan can be found on the campus’ school page at www.austinisd.org/schools. The list of individuals and their roles who assisted with the development of the CIP is included in this plan.

Element 3: Parent and Family Engagement Requirements, including the Parent/Family Engagement written policy, can be found within the Title I compliance packet, which is available upon request from the campus principal. The signed Principal Confirmation checklist is attached to this plan.

**Instructions for Campuses**

If you have questions about these requirements, contact your Title 1 Compliance Coordinator. Once the steps are completed, your Title 1 Compliance Coordinator will mark the Title 1 page COMPLETE (green completion check):

- Each strategy is aligned with Title 1 SW Elements and TEA Priorities - due by close of business on September 30th
- All portions of the Title 1 Compliance Packet have been uploaded as attachments (in PlanWorks). For instructions on specific components, refer to the Goal titled: Title 1 Compliance Packet - due by close of business on October 30th
  - #1 - The Title I Compliance Packet Principal Confirmation - Signed and uploaded with packet.
  - #2 - #9 See packet for details
  - #10 - The CIP Developers list has been filled out using PlanWorks (preferred)
Comprehensive Needs Assessment

Student Achievement

Student Achievement Data Sources

Graduation Rates disaggregated by stud. grp.
STAAR disaggregated by subj., grade, & stud. grp.
TELPAS disaggregated by grade & prof. lvl.

Student Achievement Strengths

- Travis ECHS has an early warning system that provides timely information about students who are academically at risk.
- We use SPGs (standard based grading) this allows educators to be able to control how they assess students’ progress and learning. Standards-based grading research shows that a standards-based mindset paired with standards-based grading correlate to higher academic achievement.
- We have a Language Rich Environment to support our ELs.

Student Achievement Weaknesses

% of English Learners at Advanced High or made one year of Composite Progress was less than 36 in years 2018-19.

Student Achievement Needs

- To address the 40% of students who are failing 4 or more classes as of the 1st 6wks this year
- Focus on increasing passing rates with SPED and ELs
- Increase grade advancement with cohort each year

Student Achievement Summary

In summarizing, we have created systems for student achievement by having an early warning system that administration and counselors utilize to identify students who are at risk academically. Our teachers use standard based grading which supports student achievement. Areas of concern would be with our ELs and having them show more
Comprehensive Needs Assessment

Student Achievement Summary (Continued)

progress on scoring advanced high in the TELPAS. Our focus will continue to be on our students with failing grades after the first six weeks. This focus will support our need to help increase passing rates with our SPED and EL population.
Comprehensive Needs Assessment

School Culture and Climate

School Culture and Climate Data Sources

% teacher turnover
Staff (TELL) Survey results

School Culture and Climate Strengths

- Teachers work together effectively in collaborative teams to discuss instructional strategies and curriculum issues on a regular basis. They share professional practices and use their talents and knowledge to help each other with challenges and needs.

- School staff value caring, celebration, and humor. There is a rich and robust tradition of rituals and celebrations, including holidays, special events, and recognition of goal attainment.

- Honest, open, and frequent communications exist among staff members.

School Culture and Climate Weaknesses

- Covid 19 has created uncertainty in how our “normal” traditions look and occur.
- Some departments are made up of one person (theater, guitar, ceramics, etc.) not allowing for collaboration with in a team.

School Culture and Climate Needs

- Continue efforts on teachers working effectively in collaborative teams on a regular basis
- Continue to be open and honest about campus changes through frequent communications in various forms.

School Culture and Climate Summary
Comprehensive Needs Assessment

School Culture and Climate Summary (Continued)

To maintain our school culture and climate we will continue and improve upon our open, honest, and frequent communication with all staff. We will focus on ensuring that all teachers feel included in the collaborative teams when discussing instructional strategies and curriculum no matter their content area. The strategies we have put in place will support our continued growth and consistent reflection with our school culture and climate.

Family and Community Involvement

Family and Community Involvement Data Sources

Staff (TELL) Survey results
Student Survey results

Family and Community Involvement Strengths

- Travis staff promote active participation of families and communities in shared decision-making processes at the school.
- Our communication is provided in languages that meet the needs of the family and community members.
- We have several means of continuous communication with families, such as: website, facebook, twitter, emails, dialers, Travis Talks
- Multiple annual community events are held that encourage family participation and celebrate our diverse cultures.

Family and Community Involvement Weaknesses

- Despite using a variety of communication methods, responses from our families are still very low.
- Families are invited to participate in our decision making processes but the amount of engagement and feedback is limited to the few families who choose to participate.
- CAC participation is low from families and Travis employees.

Family and Community Involvement Needs

Vertical team alignment needs re-visioning to promote Travis as a college and career ready school and to increase potential students from feeder schools.
Family and Community Involvement Summary

Despite our efforts great work is still to be done. Finding created means to reach our community is an ongoing effort.

**Goal 1.** (AVID, Advancement Via Individual Determination) Regardless of their life circumstances, AVID students overcome obstacles and achieve success. They graduate and attend college at higher rates, but more importantly, they can think critically, collaborate, and set high expectations to confidently conquer the challenges that await them.

**Objective 1.** (AVID Domain I: Schoolwide Instruction) AVID Schoolwide instruction occurs when the entire instructional staff utilizes AISD strategies, other best instructional practices, and 21st century tools to ensure college readiness for AVID Elective students and improved academic performance for all students.

Travis High School

**Goal 2.** (PreK - 12+ College, Career, and Life Readiness) We are focused on ensuring that our students are prepared for a changing and increasingly complex future; to cultivate the knowledge, skills, mindset of a lifelong learner in order to be successful beyond high school.

**Objective 1.** (Career and Technical Education (CTE)) Career and Technical Education provides students with the academic knowledge and technical skills needed for secondary and post-secondary opportunities, skilled employment and active citizenship. Programs of study represent a recommended sequence of courses based on a student's interests, goals and aptitudes. Combined with a four-year plan of course work, students can utilize the programs of study in creating the framework for success.
