DMAC Solutions ®
Campus Mission

Gus Garcia Young Men’s Leadership Academy will educate scholars in an academic environment where they will learn to be leaders, provide community service, empathy toward others, develop a strong sense of community, graduate from a four-year college or university and/or pursue a career.

Campus Vision

In an environment of brotherhood, the Gus Garcia Young Men’s Leadership Academy will develop scholars who are empathetic, service oriented, problem solvers, life-long learners who are successful in high school, college, career, and life.

Boys Yesterday, Young Men Today, Leaders Tomorrow!

Campus Motto

Boys Yesterday, Young Men Today, Leaders Tomorrow!

Texas Public Education Mission Statement

The mission of the public education system of this state is to ensure that all Texas children have access to a quality education that enables them to achieve their potential and fully participate now and in the future in the social, economic, and educational opportunities of our state and nation. That mission is grounded on the conviction that a general diffusion of knowledge is essential for the welfare of this state and for the preservation of the liberties and rights of citizens. It is further grounded on the conviction that a successful public education system is directly related to a strong, dedicated, and supportive family and that parental involvement in the school is essential for the maximum educational achievement of a child. (TEC Title 2, Ch 4, Sec.4.001)

Austin Independent School District Mission

Austin ISD educates more than 80,000 students and embraces 129 diverse school communities in one of the fastest-growing metroplexes in the country. In partnership with our families and our community, AISD’s mission is to provide a comprehensive educational experience that is high-quality, challenging and inspires all students to make a positive contribution to society. We partner with world-class universities, innovative businesses, nonprofit organizations and engaged community leaders to prepare our students for college, career and life.
Every Student Succeeds Act (ESSA)
Title I, Part A Schoolwide Program (SWP) Implementation Statutory Requirements

Element 1: The Comprehensive Needs Assessment (CNA) is included for all campuses. The 2019-20 CIP Development and Review Timeline is attached to this plan. It includes dates that the data was analyzed, the CIP was developed/revised, and the CIP will be evaluated.

Element 2: CIP Requirements are identified as Strategies. Once published, a living draft of this plan can be found on the campus’ school page at www.austinisd.org/schools. The list of individuals and their roles who assisted with the development of the CIP is included in this plan.

Element 3: Parent and Family Engagement Requirements, including the Parent/Family Engagement written policy, can be found within the Title I compliance packet, which is available upon request from the campus principal. The signed Principal Confirmation checklist is attached to this plan.

Instructions for Campuses

If you have questions about these requirements, contact your Title 1 Compliance Coordinator. Once the steps are completed, your Title 1 Compliance Coordinator will mark the Title 1 page COMPLETE (green completion check):

1. Each strategy is aligned with Title 1 SW Elements and TEA Priorities - due by close of business on September 30th
2. All portions of the Title 1 Compliance Packet have been uploaded as attachments (in PlanWorks). For instructions on specific components, refer to the Goal titled: Title 1 Compliance Packet - due by close of business on October 30th
   #1 - The Title 1 Compliance Packet Principal Confirmation - Signed and uploaded with packet.
   #2 - #9 See packet for details
   #10 - The CIP Developers list has been filled out using PlanWorks (preferred)
This section is to be filled out by the District Coordinator of School Improvement (DCSI) of each campus. The purpose of the District Commitments Theory of Action is to identify which commitments the district needs to address to support the campus’ implementation of their identified focus areas for improvement (essential actions).

1. Review the Essential Actions that the campus identified (either in the self-assessment or in the diagnostic). Make note of the Prioritized Levers under which these Essential actions fall. Is the campus working on Levers 1 and 4? Levers 2 and 5?

2. Use the drop-down menus to select a district commitment from each of the Prioritized Levers that the campus’ focus areas fall under.

**Lever 1: Strong School Leadership and Planning**
The district places its most effective school leaders in its highest need schools.

**Lever 2: Effective, Well-Supported Teachers**
The district provides the campus with sufficient control over teacher hiring and placement.

**Lever 3: Positive School Culture**
District policies and practices align with and promote positive school culture.

**Lever 4: High Quality Curriculum**
The district provides the campus with a standards-aligned guaranteed and viable curriculum (GVC) and scope and sequence.

**Lever 5: Effective Instruction**
For assessments that are district provided and graded, the district ensures that schools receive detailed reports within two instructional days.

3. Develop the if/and statements in the Theory of Action based on the district commitments you selected in the section above.

If... (district commitment aligned with first campus-selected lever here)
And... (district commitment aligned with second campus-selected lever here)
And... (district commitment aligned with third campus-selected lever here)

Then... *write expected campus outcome here*

**District Commitments Theory of Action (ToA)**
If the district policies and practices align with and promote positive school culture and ensure access to high quality professional development to assist campuses in their implementation of those policies and practices, then Garcia YMLA will be successful in their work to instill a vision that promotes overall wellbeing and productivity amongst stakeholders.

If for assessments that are district provided and graded, the district ensures that schools receive detailed reports within two instructional days, then, the campus will be able to more effectively use data to inform instructional decisions on campus.
I, the District Coordinator of School Improvement, attest that I will provide or facilitate the provision of all the necessary district-level commitments and support mechanisms to ensure the successful implementation of the Targeted Improvement Plan for this campus. I understand I am responsible for the implementation of all intervention requirements. If I am the principal supervisor, I understand I am responsible for ensuring the principal carries out the plan elements as indicated herein.

**DCSI Name**  
Emily Bush

**Date**  
9/17/2020

I, as principal for this campus, attest that I will coordinate with the DCSI (and my supervisor, if they are not the same person) to use the district-provided commitments and support mechanisms to ensure the successful implementation of the Targeted Improvement Plan for this campus. I agree to carry out the plan elements as indicated herein.

**Principal Name**  
Jose Mejia

**Date**  
9/17/2020
Prioritized Focus Area #1

Prioritized Focus Area #1
3.1 Compelling and aligned vision, mission, goals, and values focused on a safe learning environment and high expectations.

Rationale

Our TELL survey and community feedback indicate a need for a systemic approach to managing the school's vision/mission in relation to staff collaboration on campus that align to student driven instruction.

How will the campus build capacity in this area? Who will you partner with?

We will create systemic change school culture that will honor the school’s vision and mission through clear expectations for all using an effective school’s framework that will focus on three essential tasks (academics, culture, school systems). Partners include: AISDs Cultural Proficiency Office (EIR Grant), Brother's Keeper, and The University of Texas Outreach (social justice program).

How will you communicate these priorities to your stakeholders? How will create buy-in?

Priorities will be communicated using the following format: leadership campus meetings, staff meetings, community events, PTSA monthly meetings, and Campus Advisory Committee meetings. Stakeholders will have opportunities to discuss resources used, and be a part of the decision-making process for next steps in implementation. They will consistently have updated information through each cycle of the academic school year.

Desired Annual Outcome

Teachers will adhere to the master schedule by implementing SEL guided lessons twice a week with the implementations of student restorative circles.

Desired 90-day Outcome: Cycle 1 (Sept-Nov)

Teachers collaborate on culturally responsive lessons and participated in faculty restorative circles professional development with the EIR grant that will guide their twice a week student lessons.

Desired 90-day Outcome: Cycle 2 (Dec-Feb)

Teachers will sign up for learning walks or share a video recording that will enhance sharing of best practices in the areas of culturally responsive classrooms.

Desired 90-day Outcome: Cycle 3 (March-May)

Teachers will attend on campus professional development utilizing the video catalog and create a take away list of best practices to implement in their classrooms.

Desired 90-day Outcome: Cycle 4 (June-Aug) - Leave blank until Cycle 3 report is due on June 4.

Barriers to Address During the Year

COVID-19 and remote learning will add new challenges in terms of culture and climate. Staff is adjusting to new leadership and new programs (Dual Language, Social Justice Academy, etc) with the additional challenge of remote learning.

Barriers to Address: Cycle 1 (Sept-Nov)

Due to COVID-19, some teachers will be online and some will be in the face-to-face instructional setting. Some restorative practices are impacted by the inability to be in the same physical space.

Barriers to Address: Cycle 2 (Dec-Feb)

Due to COVID there may be limitations to actual walkthroughs or visitation of other classrooms.

Barriers to Address: Cycle 3 (March-May)

Due to COVID there may be limitations to actual walkthroughs or visitation of other classrooms.

Barriers to Address: Cycle 4 (June-Aug) - Leave blank until Cycle 3 report is due on June 4.

District Commitment Theory of Action (ToA)

If the district policies and practices align with and promote positive school culture and ensure access to high quality professional development to assist campuses in their implementation of those policies and practices, then Garcia YMLA will be successful in their work to instill a vision that promotes overall well being and productivity amongst stakeholders.
District Actions: Cycle 1 (Sept-Nov)
The DCSI will advocate for high quality training and implementation time regarding SEL, Restorative Practices and any other culture and climate initiatives aligned with the campus plan. The DCSI will meet with the principal and leadership team to review both quantitative and qualitative data regarding school climate and culture.

District Actions: Cycle 2 (Dec-Feb)
The DCSI will advocate for high quality training and implementation time regarding SEL, Restorative Practices and any other culture and climate initiatives aligned with the campus plan. The DCSI will meet with the principal and leadership team to review both quantitative and qualitative data regarding school climate and culture.

District Actions: Cycle 3 (March-May)
The DCSI will coach the principal and leadership team on a regular basis and review the SEL/RP video database. DCSI will share exemplars with stakeholders and elevate the best practices in culture that Garcia utilizes. DCSI will review data regarding campus culture (TELL Survey, Discipline data, etc).

District Actions: Cycle 4 (June-Aug) - Leave blank until Cycle 3 report is due on June 4.
Prioritized Focus Area #2

5.3 Data-driven instruction.

Rationale
Data on our school's accountability report show a need in providing support for data analysis and how that relates to classroom instruction.

How will the campus build capacity in this area? Who will you partner with?
We will create an observations walkthrough form and continue to work on academic PLCs every 9 weeks for short cycle assessment with administrative support to help align supports for student achievement and closing the gap on our school accountability. Partners and resources include: I-Ready, DMAC, and K-12 Summit, and AISD Academic departments.

How will you communicate these priorities to your stakeholders? How will create buy-in?
Priorities will be communicated using the following format: leadership campus meetings, staff meetings, community events, PTSA monthly meetings, and Campus Advisory Committee meetings. Stakeholders will have opportunities to discuss resources used, and be a part of the decision-making process for next steps in implementation. They will consistently have updated information through each cycle of the academic school year.

Desired Annual Outcome
Desired outcome is that teachers participate in data driven PLCs that will guide their classroom interventions for student supports. Teachers will also monitor systems (9 weeks cycles) using I-Ready progress monitors to drive instruction that will lead to overall better state accountability ratings for students moving into the approaches, meets, and masters categories.

Desired 90-day Outcome: Cycle 1 (Sept-Nov)
All teachers have professional development in universal district screeners (e.g., I-Ready, Imagine Learning, K-12 Summit) for proctoring and analyzing data reports every 9 weeks during PLC campus meetings.

Desired 90-day Outcome: Cycle 2 (Dec-Feb)
Teachers will develop student monitoring lists for the year that will need ongoing interventions supports and align the data with resources needed.

Desired 90-day Outcome: Cycle 3 (March-May)
95% of students needing intervention support prior to STAAR testing in May will receive either daily or after school tutoring services at least twice a week in the academic testing areas.

Desired 90-day Outcome: Cycle 4 (June-Aug) - Leave blank until Cycle 3 report is due on June 4.

Barriers to Address During the Year
Leadership is perfecting the art of remote walkthroughs, and with some students in remote learning, and others in face-to-face, walkthrough schedules will be different than ever before. Data may be different for those students working from home than those in face-to-face learning (different levels of support)

Barriers to Address: Cycle 1 (Sept-Nov)
COVID-19 has created limitation in universal screener timelines and ability to meet in PLCS in accordance with a normal master schedule. The possibility of inaccurate data and inconsistent monitoring assessment tools as students may be learning from a virtual setting.

Barriers to Address: Cycle 2 (Dec-Feb)
Due to COVID students may either be functioning a a virtual or face to face instruction that may limit data tracking or services available based on learning environment.

Barriers to Address: Cycle 3 (March-May)
Due to COVID there may be limitations to actual walkthroughs or visitation of other classrooms.

Barriers to Address: Cycle 4 (June-Aug) - Leave blank until Cycle 3 report is due on June 4.

District Commitment Theory of Action (ToA)
If for assessments that are district provided and graded, the district ensures that schools receive detailed reports within two instructional days, then, the campus will be able to more effectively use data to inform instructional decisions on campus.

District Actions: Cycle 1 (Sept-Nov)
The DCSI will partner with the principal to monitor data and instruction by visiting classrooms, analyzing data, coaching the administrative team and increasing opportunities for teachers at the campus to receive training and support in their implementation of responsive instruction.
District Actions: Cycle 2 (Dec-Feb)
The DCSI will partner with the principal to monitor data and instruction by visiting classrooms, analyzing data, coaching the administrative team and increasing opportunities for teachers at the campus to receive training and support in their implementation of responsive instruction.

District Actions: Cycle 3 (March-May)
The DCSI will visit PLCs to observe implementation of the campus protocol and to serve as a thought partner regarding data analysis and instructional changes needed in relation to the data. The DCSI will ensure timely reports for data the campus needs to improve student achievement.

District Actions: Cycle 4 (June-Aug) - Leave blank until Cycle 3 report is due on June 4.
At the end of this cycle, please reflect on the implementation of your Targeted Improvement Plan thus far by responding to the questions below. Be sure to explain whether your outcomes and student performance goals were met and why or why not. List any action steps you will carry over to the next cycle and any new action steps you have discovered necessary for the next cycle. Be sure to add these action steps into the next cycle's action plan.

For each of the Prioritized Focus Areas, did you achieve your desired 90-day outcome? Why or why not?

Did you achieve your student performance goals (see Student Data Page)? Why or why not?

Review the necessary adjustments/next steps documented in your Goals/Objectives/Strategies section in PlanWorks. What action steps from this cycle will you continue working on in the next cycle?

What new action steps do you need to add to the next cycle?

For each of the Prioritized Focus Areas, did you achieve your desired 90-day outcome? Why or why not?

Did you achieve your student performance goals (see Student Data Page)? Why or why not?

End of Year Reflection - due June 4

Please reflect on the year's implementation of your Targeted Improvement Plan by responding to the questions below. Be sure to explain whether your campus achieved the desired annual outcome for each Prioritized Focus Area and why or why not.

Prioritized Focus Area #1: Did the campus achieve the desired outcome? Why or why not?

Prioritized Focus Area #2: Did the campus achieve the desired outcome? Why or why not?
Demographics

Demographics Data Sources

- % of beginning teachers (TAPR)
- % teacher turnover
- % unfilled sub vacancies
- CAPR results for administrators
- CCMR disaggregated by student group
- Coordinated School Health ratings
- Fitnessgram results - BOY to EOY growth
- Graduation Rates disaggregated by stud. gp.
- GT-CAMP ratings
- https://txschools.gov/
- MOY disaggregated by grade, subj., & stud. grp.
- PPfT results for teachers
- Referral data disaggregated by student group
- Short Cycle Assessments disaggregated by stud. grp
- Student Survey results
- TELPAS disaggregated by grade & prof. lvl.

Demographics Strengths

The all-boys academy in East Austin offers a world of opportunities through its diverse student body that is made up of:
24.8% African American, 68.6% Hispanic, 3.4 White, 0.2% American Indian, 0.7% Asian, 2.2 two or more races.

Enrollment by student groups is:
Economically disadvantage: 94.6%, English Learners: 46%, Special Education: 19.2%

1) The school academic PLCs examine and discuss disaggregated data (e.g., STAAR, I-Ready, common assessments) to find trends in student demographics (e.g., special education, at-risk, and ethnicity) to provide on campus academic and social emotional supports.

2) The staff examines the current context of the community that the school exists and adapts programming to meet the needs of the students (e.g., developing a dual language program & Social justice Multicultural Pathway).

3) The school considers the ethnic profile of the staff compared to that of the student population.
Comprehensive Needs Assessment

Demographics Weaknesses

1) There is a need to develop early interventions systems aligned to student demographic data trends to provide in school and after school supports (e.g., tutoring and twilight).

2) The school needs to assess disaggregated data for students that are transitioning and earned high school credit to create equitable participation across all demographic groups.

3) The school needs to examine participation of students in academic programs offered at Gus Garcia YMLA in relation to demographic factors (e.g., ethnicity, socio-economic status, and mobility).

Demographics Needs

1) Gus Garcia YMLA will continue to align resources for the dual language program to support student in both languages (English and Spanish). There is a need to increase the level of bilingual teachers and ESL certified teachers on campus.

2) Gus Garcia YMLA will continue developing sustainable programs through an equitable lens that creates opportunities for students from various demographic backgrounds (e.g., STEM, Band, Athletics, Mariachi, Theater).

3) The school needs to incorporate higher levels of community input into the decision-making process in relation to students services.

4) Gus Garcia YMLA faces challenges in enrollment and high mobility rates (20.8%) compared to the district (16.4%) rates.

Demographics Summary

1) Gus Garcia YMLA, as a minority-majority campus, has higher percentages in African American and Hispanic populations compared to district and state enrollment percentages. In addition there is a higher percentage of students at Gus Garcia YMLA in the three enrollment groups Economically disadvantage, English Learners, and Special Education compared to district and state enrollment percentages.

2) Gus Garcia YMLA will continue to partner with organizations (e.g., CARY, CIS, VIDA, YMCA, Boys & Girls Club, UTeach) to provide equitable programming and services to students of various demographic backgrounds.

3) Student Demographic data is factored into every aspect of the whole child (academic and social emotional) to provide learning experiences that will allow them to excel.

Student Achievement
Comprehensive Needs Assessment

Student Achievement Data Sources

Short Cycle Assessments disaggregated by stud. grp
STAAR disaggregated by subj., grade, & stud. grp.

Student Achievement Strengths

1) Gus Garcia YMLA has demonstrated consistency in Math and Science STAAR performance rates in (2018 and 2019) for approaches all grade levels or above.
   * Math 2018-71% and 2019- 72%
   * Science 2018-64% and 2019-63%

Goal: Gus Garcia YMLA will achieve STAAR performance rates of 75% for Math in the 2021 school year for all grade levels.

2) Gus Garcia YMLA has continued to develop student programming in STEM (Science, Technology, Engineering, Math) to support aligned student outcomes with core content (e.g., CTE courses, Apple coding, Coder Z STEM club).

Goal: Gus Garcia YMLA will continue to recruit students across various student demographics to participate in STEM aligned programming.

3) For STAAR performance at the Meets Grade level there have been increases in students meeting that category in the academic contents: ELA, Math, and Social Studies.

Goal: Students at Gus Garcia YMLA will continue to meet at 35% or higher in the Meets Performance level for short cycle assessment cycles and STAAR.

Actions:
1) Gus Garcia YMLA works with the leadership team to analyze overall data from the previous year to determine actionable goals.

2) Gus Garcia YMLA monitors restorative practices that may affect a students academic ability and provide ongoing supports to on campus program or supporting agencies (e.g., CIS, CARY, VIDA).

Student Achievement Weaknesses

1) Gus Garcia YMLA STAAR accountability for 2018 and 2019 shows needed growth in the area of ELA/Reading. In 2018 STAAR performance at the approaches grade level or above was at 52% and there was a gain in 2019 to 59%.

Goal: Gus Garcia YMLA will implement I-Ready progress monitoring and literacy interventions to increase student performance to a 65% in 2020.
Comprehensive Needs Assessment

Student Achievement Weaknesses (Continued)

2) Gus Garcia YMLA STAAR accountability for 2018 and 2019 shows a needed growth in the area of Writing. In 2018 the STAAR performance at the approaches grade level or above was at 43% with gains made in 2019 to 50%.

Goal: Gus Garcia YMLA STAAR accountability for 2020 will strive for a 55% (5% increase) in Writing from the previous years by implementing AVID strategies into daily lessons (e.g., WICOR).

3) Gus Garcia YMLA also saw a decrease in STAAR performance for Social studies at Approaches with African American student population in 2018 with 63% to 2019 at 45%.

Goal: Gus Garcia will work the the Social Studies PLCs to align resources for student academic tracking and on-going supports.

4) There is high absenteeism due to COVID 19 and virtual learning setting.

Goal: Gus Garcia will work with the Child study team to reach out to students to encourage on campus learning or align them to an on campus support group that can monitor their academic/attendance progress.

Student Achievement Needs

1) Gus Garcia YMLA will work on the Child Study System (CST) to develop early detection that can provide staff with timely information about students who are academically at risk.

2) In 2020 there is a higher need for student technology support due to COVID, and for academic outreach through a virtual learning environment.

3) There is a need for supports in English Language Learner strategies and continued support with AVID strategies.

4) Gus Garcia YMLA needs to set time/dates for purposeful data analysis from multiple sources throughout the year to determine subgroup needs and align academic interventions.

Student Achievement Summary

1) Gus Garcia YMLA STAAR performance data has show incremental gains, but there is still a need for further improvement in the area of ELA/Reading, Writing, and Social Studies.

2) Among the student demographic areas Gus Garcia YMLA will address needs for African American students in core content areas (Math, ELA, Science).
Comprehensive Needs Assessment

School Culture and Climate

School Culture and Climate Strengths

The all-boys academy in East Austin offers a world of opportunities through its diverse student body that is made up of:
24.8% African American, 68.6% Hispanic, 3.4 White, 0.2% American Indian, 0.7% Asian, 2.2 two or more races.

Enrollment by student groups is:
Economically disadvantage: 94.6%, English Learners: 46%, Special Education: 19.2%

1) The school academic PLCs examine and discuss disaggregated data (e.g., STAAR, I-Ready, common assessments) to find trends in student demographics (e.g., special education, at-risk, and ethnicity) to provide on campus academic and social emotional supports.

2) The staff examines the current context of the community that the school exists and adapts programming to meet the needs of the students (e.g., developing a dual language program & Social justice Multicultural Pathway).

3) The school considers the ethnic profile of the staff compared to that of the student population.

School Culture and Climate Weaknesses

1) There is a need to develop early interventions systems aligned to student demographic data trends to provide in school and after school supports (e.g., tutoring and twilight).

2) The school needs to assess disaggregated data for students that are transitioning and earned high school credit to create equitable participation across all demographic groups.

3) The school needs to examine participation of students in academic programs offered at Gus Garcia YMLA in relation to demographic factors (e.g., ethnicity, socio-economic status, and mobility).

School Culture and Climate Needs

1) The school will continue to align resources for the dual language program to support student in both languages (English and Spanish). There is a need to increase the level of
Comprehensive Needs Assessment

School Culture and Climate Needs (Continued)

bilingual teachers and ESL certified teachers on campus.

2) The school needs to continue developing sustainable programs through an equitable lens that creates opportunities for students from various demographic backgrounds (e.g., STEM, Band, Athletics, Mariachi, Theater).

3) The school needs to incorporate higher levels of community input into the decision-making process in relation to students services.

School Culture and Climate Summary

1) Gus Garcia YMLA, as a minority-majority campus, has higher percentages in African American and Hispanic populations compared to district and state enrollment percentages. In addition there is a higher percentage of students at Gus Garcia YMLA in the three enrollment groups Economically disadvantage, English Learners, and Special Education compared to district and state enrollment percentages.

2) Gus Garcia YMLA will continue to partner with organizations (e.g., CARY, CIS, VIDA, YMCA, Boys & Girls Club, UTeach) to provide equitable programming and services to students of various demographic backgrounds.

3) Student Demographic data is factored into every aspect of the whole child (academic and social emotional) to provide learning experiences that will allow them to excel.

Staff Quality, Recruitment and Retention

Staff Quality, Recruitment and Retention Data Sources

Focus Groups/Interviews
PPiT results for teachers
Staff (TELL) Survey results

Staff Quality, Recruitment and Retention Strengths

1) Gus Garcia YMLA has a high-quality teacher mentoring program that is supported by the district and through the Lead Mentor Teacher Contact (LMTC).
Comprehensive Needs Assessment

Staff Quality, Recruitment and Retention Strengths (Continued)

Goal: All new teachers to Gus Garcia will be paired up with a mentor teacher if they have less than 2 years of experience.

Goal: Increase the staffing demographics for Hispanic staff by at least 3%.

Goal: Gus Garcia YMLA will increase equitable leadership opportunities by having teachers participate in district leadership pathways, advance learning programs (e.g., CALT, Masters), and apply for campus leadership roles.

Staff Quality, Recruitment and Retention Weaknesses

1) Most of the staff has over 8 years of experience and therefore continuation of learning programs need to be outlined to provide continued professional development in accordance with the subject areas they teach.

2) Gus Garcia YMLA is working on increasing the number of teachers with ESL and bilingual certifications to support emerging bilingual students.

3) Gus Garcia YMLA is developing teachers to better support students through the hiring of an ESL Cluster Specialist and a Certified Academic Language Therapist (CALT) to help support students in the areas of language acquisition/dyslexia.

Staff Quality, Recruitment and Retention Needs

1) Gus Garcia YMLA requires teacher applicants that meet the certifications needed to maintain our campus student supports and to demonstrate continued growth in the area of the content they teach.

2) Gus Garcia YMLA requires an annual needs assessment for professional development that aligns with campus needs and data.

3) Gus Garcia YMLA needs district support in recruiting highly qualified teachers that can meet the challenges of teacher shortage in critical areas (e.g., Bilingual, CTE, Generalist).
Comprehensive Needs Assessment

Staff Quality, Recruitment and Retention Summary
Gus Garcia continues to build a highly diverse staffing roster with emphasis on teacher growth and opportunities for leadership development. The school offers campus and district incentives to promote teacher professional development and effective teaching practices.

Curriculum, Instruction and Assessment

Curriculum, Instruction and Assessment Data Sources
- Focus Groups/Interviews
- PPfT results for teachers
- Short Cycle Assessments disaggregated by stud. grp
- Staff (TELL) Survey results
- TELPAS disaggregated by grade & prof. lvl.

Curriculum, Instruction and Assessment Strengths
1) Teachers use district created scope and sequence that are aligned to the TEKS that is evident through walkthroughs and lesson plans.
Goal: Teachers will use the Austin ISD content curriculum scope and sequence 90% of the time as their blueprint for lesson design and formative assessments.

2) All teachers demonstrate high expectations for all students and provide culturally responsive lessons throughout the week.
Goal: Teachers will implement culturally responsive lessons twice a week during advisory period to support cultural and diverse viewpoints in academics.

3) Educators work collaboratively in PLCs to develop lesson plans, assessments, and methods of instructions.
Goal: Teachers will meet weekly in their academic PLCs to discuss the scope and sequence to do backwards design for classroom instruction.

Curriculum, Instruction and Assessment Weaknesses
1) Gus Garcia YMLA will develop a system organizing instructional materials through the use of campus shared drive to enhance the accessibility to all staff (e.g., instructional content, lesson plans, and accountability data).
Comprehensive Needs Assessment

Curriculum, Instruction and Assessment Weaknesses (Continued)

2) Teachers at Gus Garcia YMLA will continue to develop their proficiency to align curriculum to data trends and use researched based strategies (e.g., AVID, I-Ready, imagine learning, Seidlitz).

Curriculum, Instruction and Assessment Needs

1) Ongoing professional development on research based strategies (e.g., Seidlitz, AVID, and I-Ready).

Curriculum, Instruction and Assessment Summary

Gus Garcia YMLA will continue to take personal responsibility for helping each student reach proficiency levels across content areas by developing meaningful, engaging instructional activities that align to state standards.

Family and Community Involvement

Family and Community Involvement Data Sources

District Family Survey results
Focus Groups/Interviews

Family and Community Involvement Strengths

1) Gus Garcia YMLA has a full time dedicated parent support specialist that connects families to the school throughout the year for various events (e.g., Title 1 sessions, parent sessions, nutrition, academics, PTSA, CAC).

Goal: Gus Garcia YMLA parent support specialist will hold a monthly parent sessions in accordance with the campus master calendar.
Comprehensive Needs Assessment

Family and Community Involvement Strengths (Continued)

2) There has been an incremental increase to responses on the Family survey at Gus Garcia YMLA for the past three years (e.g., 2018-28 responses, 2019-53 responses, an 2020-58 responses).

Goal: For the 2021 school year Gus Garcia will have at least 60 participants respond to the annual family survey and provide feedback to the school.

3) The school communicates with families and the community through various platforms (e.g. social media, school messenger, flyers, smores newsletter, and on-campus/zoom sessions).

Goal: The school will send at least one community outreach every two weeks to enhance parent knowledge on school activities and how to participate.

Family and Community Involvement Weaknesses

1) Gus Garcia family survey indicates more feedback is needed from the Hispanic community. Out of the 58 survey for 2020 only 25.86% were Spanish compared to 74.14% in English.

Goal: Gus Garcia will send out community outreach in both languages bi-weekly to enhance our connection with the hispanic population within our school boundary.

Family and Community Involvement Needs

1) Gus Garcia YMLA needs to promote opportunities for active participation in decision making processes (e.g., CAC & PSTA).

2) Gus Garcia will continue to enhance its marketing efforts to promote higher family retention and recruitment.

3) There is a need for higher capacity building of parents in PTSA and CAC meetings/memberships.

Family and Community Involvement Summary

Gus Garcia YMLA is a diverse community and specialized attention needs to be provided to to allow equitable access to all families to feel inclusive in providing feedback. The school will implement family and community engagement events that link directly to student academic initiatives and well-being.

Comprehensive Needs Assessment

School Context and Organization

School Context and Organization Data Sources
Focus Groups/Interviews
Staff (TELL) Survey results

School Context and Organization Strengths

1) Gus Garcia YMLA will implement the schools at work framework as an organizational strategy to create and monitor school initiatives.

Goal: Gus Garcia will create three task forces by December that will monitor: Academics, Culture, and School Systems.

2) Gus Garcia YMLA school leaders utilize research-based organizational structure from the Professional Learning Communities framework (Dufours) to foster collaboration and improvement strategies.

Goal: Gus Garcia will establish and monitor the scheduling practices of on campus PLCs every week.

School Context and Organization Weaknesses

1) Gus Garcia YMLA is a smaller campus compared to other middle schools and therefore staffing tend to take in dual roles that can limit school-wide structures and can affect time-management.

2) Gus Garcia YMLA is working on the schoolwide structures to assist decision making among staff and campus leadership team.

School Context and Organization Needs

1) Continued development on the schools at work framework to enhance decision making and autonomy among staff.
Comprehensive Needs Assessment

School Context and Organization Needs (Continued)

2) Reduction of district initiatives and refocusing on primary initiatives that align to data specific needs.

School Context and Organization Summary

Gus Garcia is working on organizational structures that align to best practices found in various frameworks (e.g., PLCs, Effective schools, and Schools at work).

Technology

Technology Strengths

1) Gus Garcia offers CTE courses that align to High school credit opportunities for students.

Goal: Continue to develop CTE course that align to 21st century careers.

2) Gus Garcia offers after school clubs that provide ongoing teacher development that extend into student opportunities (e.g. Apple Coding and Coder Z programming).

3) Gus Garcia YMLA partners with Verizon Innovation Learning Schools to promote the development of teacher efficacy in the areas of technology pedagogies.

4) Technology at Gus Garcia YMLA is well supports fiscally and through human capacity building.

Technology Weaknesses

1) Gus Garcia YMLA needs to develop a system for monitoring the use of technology on campus.

2) Gus Garcia YMLA needs a comprehensive technology professional development plan that aligns with student and staff needs.

Technology Needs
Comprehensive Needs Assessment

1) Further professional development is needed to support our campus technology to enhance classroom instruction.

2) Alignment of technology resources currently on campus need to be evaluate for implementation usage and future use.

Technology Summary

Gus Garcia YMLA through the use of district and community partners motivate staff to implement technological practices in the classroom. The staff needs to be thoroughly assessed to develop a comprehensive plan for improving student learning using 21st century skills and technological practices.

**Goal 1.** (Positive School Culture (ESF Lever 3)) Positive school culture requires compelling and aligned vision, mission, goals and values, explicit behavioral expectations and management system, proactive and responsive student support services, and involved families and community.

**Objective 2.** (Culturally Responsive Restorative Practices (CRRP)) Research indicates that exclusionary discipline practices disproportionately affect students of color and increase the likelihood of later developmental challenges, including academic disengagement, lower academic achievement, and increased involvement in the juvenile justice system. CRRP is intended to counteract these trends by providing schools with resources and a framework to cultivate a positive, affirming school climate for all students and staff.

(PreK - 12+ College, Career, and Life Readiness) We are focused on ensuring that our students are prepared for a changing and increasingly complex future; to cultivate the knowledge, skills, mindset of a lifelong learner in order to be successful beyond high school.

**Objective 3.**  
(Career and Technical Education (CTE)) Career and Technical Education provides students with the academic knowledge and technical skills needed for secondary and post-secondary opportunities, skilled employment and active citizenship. Programs of study represent a recommended sequence of courses based on a student's interests, goals and aptitudes. Combined with a four-year plan of course work, students can utilize the programs of study in creating the framework for success.

# Garcia YMLA School

## Goal 7.
(Advanced Academics) Advanced academics are educational programs designed to move students with high ability at a pace appropriate to their rate of learning through studies that go beyond the age-level or grade-level expectations which include depth and complexity, provide academic acceleration, and address the cognitive, social, and emotional needs of the students. Smart without compromise. Potential without limits.

## Objective 1.
(Advanced Academics) GT-CAMP and representation in GT for historically underserved student groups

**STUDENT DATA**

1. Domain 1

   - Focus 1 Components
     - Enter the 2019 STAAR results for each tested course. You can enter the Total % of assessments at Approaches/Meets/Masters for your campus in Column H in the form App/Meets/Ma (for example: 60/20/10).
     - If you administered a baseline assessment, please include the 2019 results in Column I. Enter the Total % of tests at each level of proficiency: Approaches, Meets, Masters.

   - Focus 2 Components
     - Please enter Assessment Type. Remember to use comparable, STAAR-aligned assessments for each cycle. Enter the formative goal for that cycle.

   - Focus 3 Components
     - Please enter the Assessment Type. Remember to use comparable, STAAR-aligned assessments for each cycle. Enter the formative goal for that cycle.

   - Scoring
     - For Domain 1, enter the Total % of assessments at Approaches/Meets/Masters for your campus in Column H in the form App/Meets/Ma (for example: 60/20/10).
     - If you administered a baseline assessment, please include the 2019 results in Column I. Enter the Total % of tests at each level of proficiency: Approaches, Meets, Masters.

2. Domain 2

   - Focus 1 Components
     - Enter the 2019 STAAR results for each tested course. You can enter the Total % of assessments at Approaches/Meets/Masters for your campus in Column H in the form App/Meets/Ma (for example: 60/20/10).
     - If you administered a baseline assessment, please include the 2019 results in Column I. Enter the Total % of tests at each level of proficiency: Approaches, Meets, Masters.

   - Focus 2 Components
     - Please enter Assessment Type. Remember to use comparable, STAAR-aligned assessments for each cycle. Enter the formative goal for that cycle.

   - Focus 3 Components
     - Please enter the Assessment Type. Remember to use comparable, STAAR-aligned assessments for each cycle. Enter the formative goal for that cycle.

3. Domain 3

   - Focus 1 Components
     - Enter the 2019 STAAR results for each tested course. You can enter the Total % of assessments at Approaches/Meets/Masters for your campus in Column H in the form App/Meets/Ma (for example: 60/20/10).
     - If you administered a baseline assessment, please include the 2019 results in Column I. Enter the Total % of tests at each level of proficiency: Approaches, Meets, Masters.

   - Focus 2 Components
     - Please enter Assessment Type. Remember to use comparable, STAAR-aligned assessments for each cycle. Enter the formative goal for that cycle.

   - Focus 3 Components
     - Please enter the Assessment Type. Remember to use comparable, STAAR-aligned assessments for each cycle. Enter the formative goal for that cycle.
