Prioritized Focus Area #1

Rationale

Jordan is a high need campus with a low teacher retention rate. Our goal is to recruit and retain highly qualified educators that stay at Jordan for at least 5 years.

How will the campus build capacity in this area? Who will you partner with?

Campus leadership will partner with Human Capital to recruit and train high quality educators. Professional learning opportunities will be designed to address individual needs in effort to support and retain highly qualified educators. The campus will partner with district departments including Cultural Proficiency and Inclusiveness, Equity Office and the Office of Talent Acquisition and Development to provide quality professional learning opportunities.

How will you communicate these priorities to your stakeholders? How will create buy-in?

We will collaborate with all stakeholders throughout the process.

Desired Annual Outcome

We would like to create a culture of collaboration and team work that creates a school environment that retains 80% of my high quality staff.

Desired 90-day Outcome: Cycle 1 (Sept-Nov)
by the end of cycle 1 15% of my staff will participate in a PD session of their choice and participate in a leadership opportunity

Desired 90-day Outcome: Cycle 2 (Dec-Feb)
by the end of cycle 2 20% of my staff will participate in a PD session of their choice and participate in a leadership opportunity

Desired 90-day Outcome: Cycle 3 (March-May)
by the end of cycle 3 25% of my staff will participate in a PD session of their choice and participate in a leadership opportunity

Desired 90-day Outcome: Cycle 4 (June-Aug) - Leave blank until Cycle 3 report is due on June 4.
by the end of cycle 4 30% of my staff will participate in a PD session of their choice and and participate in a leadership opportunity.

Barriers to Address During the Year

COVID, Staff Climate, finding needed quality professional development

Barriers to Address: Cycle 1 (Sept-Nov)

Barriers to Address: Cycle 2 (Dec-Feb)
Teacher "zoomed out" for professional development

Barriers to Address: Cycle 3 (March-May)

District Commitment Theory of Action (ToA)

If the principal supervisor provides regular coaching to the principal and campus leadership team on the implementation of DDI, and the district ensures that the campus has access to high-quality unit tests for all tested grades and subjects, and the district commits to providing test results back to the campus within two days from the assessment, then the campus will be able to establish strong data-driven instruction practices, improve the quality and frequency of use of lesson plans and formative assessments, and campus leaders will more frequently, effectively, and with greater role clarity engage in instructional leadership activities.

District Actions: Cycle 1 (Sept-Nov)
Professional learning opportunities focused on concurrent teaching are available through the district's Office of Talent Acquisition and Development, and technology design coaches are available to provide individualized professional learning opportunities. The DSCI/principal supervisor will support campus leadership with time management and successfully implementing a walkthrough observation and feedback calendar using strategies from "Leverage Leadership".
District Actions: Cycle 2 (Dec-Feb)
Professional learning opportunities focused on concurrent teaching are available through the district's Office of Talent Acquisition and Development, and technology design coaches are available to provide individualized professional learning opportunities. The DSCI/principal supervisor will support campus leadership with time management and successfully implementing a walkthrough observation and feedback calendar using strategies from "Leverage Leadership".

Prioritized Focus Area #2

5.1 Objective-driven daily lesson plans with formative assessments.

Rationale
As a result of teachers are now required to provide instruction to both face to face learners and remote learners. Our goal is to ensure that student instruction is effectively occurring in classrooms even during COVID.

How will the campus build capacity in this area? Who will you partner with?
Creating effective grade level PLCs that reviews and finalizes lesson plans and student assessments will support teachers as they plan and implement both in person and virtual instruction. We will collaborate with our campus technology design coach and the Office of Talent Acquisition and Development.

How will you communicate these priorities to your stakeholders? How will create buy-in?
We will share this focus area with staff and allow them to assist in creating the structure of the PLCs that includes these components.

In addition, we will provide staff with a PLC agenda on our weekly jag news.

Desired Annual Outcome
The desired outcome is that 90% of the PLCs will be teacher led following the campus PLC agenda.

Desired 90-day Outcome: Cycle 1 (Sept-Nov)
30% of will be teacher led following the campus PLC agenda.

Desired 90-day Outcome: Cycle 2 (Dec-Feb)
60% of will be teacher led following the campus PLC agenda.

90% of will be teacher led following the campus PLC agenda.

Desired 90-day Outcome: Cycle 4 (June-Aug) - Leave blank until Cycle 3 report is due on June 4.

2. Substitutes to cover classes
3. PLC professional learning for effective PLCs
