Mission

Campus Mission:
The mission of Gordon A. Bailey Middle School is to educate all students so

AISD Public Education Mission Statement
The mission of the public education system of this state is to ensure that all Texas children have access to a quality education that enables them to achieve their potential and fully participate now and in the future in the social, economic, and educational opportunities of our state and nation. That mission is grounded on the conviction that a general diffusion of knowledge is essential for the welfare of this state and for the preservation of the liberties and rights of citizens. It is further grounded on the conviction that a successful public education system is directly related to a strong, dedicated, and supportive family and that parental involvement in the school is essential for the maximum educational achievement of a child. (TEC Title 2, Ch 4, Sec.4.001)

Austin Independent School District Mission
Austin ISD educates more than 80,000 students and embraces 129 diverse school communities in one of the fastest-growing metroplexes in the country. In partnership with our families and our community, AISD's mission is to provide a comprehensive educational experience that is high-quality, challenging and inspires all students to make a positive contribution to society. We partner with world-class universities, innovative businesses, nonprofit organizations and engaged community leaders to prepare our students for college, career and life.

Nondiscrimination Notice
BAILEY M S does not discriminate on the basis of race, color, national origin, sex, or disability in providing education services, activities, and programs, including vocational programs, in accordance with Title VI of the Civil Rights Act of 1964, as amended; Title IX of the Educational Amendments of 1972; and section 504 of the rehabilitation Act of 1973; as amended.
Vision

Campus Vision:

Bailey Middle School is a place where students are encouraged to try new things and challenge themselves in many different ways. This is a time to experiment with new classes or activities, to be part of a team, or express oneself in creative new ways. Every student should have multiple opportunities to try whatever interests them, and our faculty must provide a diverse and challenging array of courses and activities to engage all students at high levels.

Campus Values:

Honesty
Integrity
Equity
Sportsmanship
Kindness

Comprehensive Needs Assessment

Demographics

Demographics Data Sources
Staff (TELL) Survey results

Demographics Strengths

List your campus strengths here:

Overall, this campus has very strong systems for school operations.
Hallway expectations, campus communications, School safety procedures, grading policies, etc. are all functioning and are understood by students and parents.

Demographics Weaknesses

List areas you would like to grow here:

1. Showing academic growth in all demographic groups. This is a focus for all teachers this year.

Demographics Needs

The needs for our campus are:

- Addressing the individual needs of struggling learners (Sped, AA, Hispanic, and Low SES students)
- Diversity training
- Small group academic instruction in all classes.
Comprehensive Needs Assessment

Demographics Summary

Access your Discipline dashboard in Forecast5, under Guided Analysis, you will click on "Discipline Analysis" to see your campus discipline data from the 2021-22 school year.

Data Not available.

1.) In 2021-22, ____% of the students within the African American/Black population had one or more discipline events.
2.) In 2021-22, ____% of the students receiving Special Education services had one or more discipline events.

Student Discipline Reflection Question:

1.) How do you plan to address the overall % of disciplinary actions among your African American/Black student population?
   We will monitor bi-monthly discipline data to measure rates of discipline involving any African American data.

2.) What systems will you have in place to decrease the discipline disparities among your students receiving Special Education services?
   We will defer to SpEd staff for discipline management of any student with a BIP. SpEd students without a BIP are subject to regular discipline consequences, however, administrators will encourage restorative practices whenever possible..

Student Achievement

Student Achievement Data Sources

MOY disaggregated by grade, subj., & stud. grp.
Short Cycle Assessments disaggregated by stud. grp
STAAR disaggregated by subj., grade, & stud. grp.

Student Achievement Strengths

List your campus strengths here:

On the Fall 2022 MAP Growth BOY reading test, 84% of 6th graders, 87% of 7th graders, and 86% of 8th graders were in the low-average or above range. On the Fall 2022 MAP Growth BOY math test, 77% of 6th graders, 79% of 7th graders, and 88% of 8th graders were in the low-average or above range. On STAAR reading in Spring 2022, 81% of our students passed reading, and 71% of students passed math overall.
Comprehensive Needs Assessment

Student Achievement Strengths (Continued)

Our teachers work in vertical as well as grade level PLCs to address gaps by:
Planning lessons together
Planning assessments together
Working in small group rotations to assist students who are struggling
Having weekly conversations about student progress

Student Achievement Weaknesses

List areas you would like to grow here:

- Utilizing small group instruction campus wide effectively
- Building common assessments and using them to reteach
- Identifying African American and Hispanic students who qualify as Gifted and Talented

Student Achievement Needs

- Teacher professional development about how to do small group instruction, such as during station rotations or working with a coteacher to incorporate this model into inclusion classes.
- Administrators and department chairs leading core department PLCs in analyzing common assessment data and using backward design to effectively teach content.
- Working with teachers to identify African American and Hispanic students who qualify as GT and/or in NJHS.

Student Achievement Summary

Access your STAAR, MAP Growth, and TELPAS Reports here: (in the purple Performance Reporting section): https://docs.google.com/presentation/d/1uNcqEWl6GvQ3ollZCR-OzCgTQsHBYCIeIqwa_zM21Qo/preview?slide=id.p7
Comprehensive Needs Assessment

Student Achievement Summary (Continued)

Reflection Questions:

1.) What trends do you observe in mastery (% MEETS) for your students from historically underserved student groups? Use Campus Bar Charts (Gap Charts)

According to the 2022 Closing the Gaps report for STAAR, all campus groups (Hispanic, Econ Dis, EB, SpEd) except African Americans met their target academic achievement on STAAR reading. We did not meet our academic achievement targets in math. We did meet growth targets in reading AND math for Hispanic, EB, and Special Ed.

2.) Using your 2021-22 STAAR data, what are your TWO lowest performing students groups (% MEETS)?

For all subjects, African American (20% all subjects meets & above) and special education (20% all subjects meets & above). In reading, the two lowest performing student groups are special education (26% at meets & above) and African American (28% at meets & above). In math, the two lowest performing student groups are special education (16% at meets & above) and African American (10% at meets & above).

3.) For MAP Growth, what trends do you observe in mastery for your students across grade levels and languages from BOY to EOY? Use STAAR Projected Proficiency Report

According to the STAAR Projected Proficiency Report, 6th graders had the lowest percentage of students at "approaches" for both math and reading compared to 7th and 8th grade. In 7th grade, 85% of students were projected to get "approaches" but on the STAAR test only 62% got "approaches" and above.

4.) For TELPAS, what trends do you observe in progress for your students across grade levels and TELPAS components? Use All Campuses Report

Most of our students across all three grade levels fall in the "advanced" range on TELPAS.

School Culture and Climate

School Culture and Climate Data Sources

Staff (TELL) Survey results
Student Survey results

School Culture and Climate Strengths

List your campus strengths here:
Comprehensive Needs Assessment

School Culture and Climate Strengths (Continued)

- Creating systems to support positive behaviors such as school-wide hall passes, positive referrals, and an opportunity to move outside in the courtyard during lunchtime.
- Created School Improvement Committee for 2022-2023 to get staff input on how to improve school climate and behavior.
- Social Emotional Learning (SEL) committee and component built into advisory classes.

School Culture and Climate Weaknesses

List areas you would like to grow here:

- Student attendance and behavior in class
- Reducing the drug use (or perception of that) on campus
- Celebrating student success consistently and appreciating diversity

School Culture and Climate Needs

- Use of a "school handbook" for passes out of class to help students self monitor their time out of class. Need a campus-wide tardy policy (in terms of consequences assigned) to maximize the amount of time students are in class.
- Positive behavior supports and ways to celebrate when students are being successful (ex. class reward systems, awards/recognition, behavior checksheets to support students who consistently struggle with behavior, etc).
- Drug prevention awareness and promoting the use of "see something, say something" to report.

School Culture and Climate Summary

Access your Coordinated School Health Dashboard here: https://austinisd.co1.qualtrics.com/reporting
Comprehensive Needs Assessment

School Culture and Climate Summary (Continued)

Coordinated School Health Areas:
- CSH Implementation
- Health Education
- Physical Education/Physical Activity
- Food Services
- Employee Wellness
- SEL
- Community Engagement
- Counseling/Mental Health/Social Services
- Health Services

Reflection Questions:

1.) In 2021-22, using the CSH list, __________ of the 11 areas did not reach 70% implementation. Data Not Available.

2.) Which CSH areas do you feel something needs to change at the campus in order for the implementation score to reach 70%? Data Not Available.

(Note: These are the areas to focus on in your CIP/TIP this year. At a minimum, each campus must address CSH Implementation, SEL, and Family or Community Engagement.)

Staff Quality, Recruitment and Retention

Staff Quality, Recruitment and Retention Data Sources

% teacher turnover

Staff (TELL) Survey results

Staff Quality, Recruitment and Retention Strengths
Comprehensive Needs Assessment

Staff Quality, Recruitment and Retention Strengths (Continued)

List your campus strengths here:

There is very little turn over on the campus, most staff have multiple years of experience.

Staff Quality, Recruitment and Retention Weaknesses

List areas you would like to grow here:

Assisting staff to grow professionally in each of their content areas.
Assisting staff to work with students from diverse populations.
Assisting and reaching students who have special needs.

Staff Quality, Recruitment and Retention Needs

Getting staff additional training in specialized areas of instruction.

- Small group (all core areas)
- Tools to assist staff in working with students who have special needs and who come from diverse backgrounds.

Staff Quality, Recruitment and Retention Summary

Access your Panorama Survey Dashboard here:
https://secure.panoramaed.com/austinisd/understand/19295098/summary
Comprehensive Needs Assessment

Staff Quality, Recruitment and Retention Summary (Continued)

Staff Climate Reflection Questions:
1.) Which area(s) will you focus on strengthening this school year?
School Climate will be a major focus for Bailey Middle school this year along with cultural awareness.
2.) Why did you select this/these area(s)?
Our school data and campus feedback shows that these two areas were problematic over the 21/22 school year. Staff and our community expect a greater focus in these areas that will yield positive results.

Customer Service Reflection Questions:
1.) What strategies and/or best practices will you implement to strengthen the employee experience in order to foster a sense of inclusivity, belonging and sustainability?
   1. Aps will meet with all office staff on a by weekly basis to review expectations and concerns for customer service.

2.) What are your customer service celebrations/strengths?
   Aps will place shout outs in the weekly bulletin encourage and celebrate our office staff. Administration will set up a team that includes all office staff to establish a team atmosphere in the office.

3.) What are your areas of growth?
   Listening!!! The admin team will do a better job by building time in the weekly and monthly schedule to listen to the office staff and our customers(parents, students, other aisd staff) regarding our customer service skills.

4.) What will be your priority for customer service this year?
   Having scheduled meetings with the office staff. Reviewing parent concerns and complaints when they come in and work with office staff to resolve any issues that come and preventing them from going to the next level.

Curriculum, Instruction and Assessment

Curriculum, Instruction and Assessment Data Sources

Short Cycle Assessments disaggregated by stud. grp
STAAR disaggregated by subj., grade, & stud. grp.

Curriculum, Instruction and Assessment Strengths

List your campus strengths here:
Comprehensive Needs Assessment

Curriculum, Instruction and Assessment Strengths (Continued)

All core teachers are organized in vertical PLC's that meet at least twice a week to discuss curriculum and student achievement.

All core teachers use common grade level assessments to gage student growth and areas of weakness.

There has been an increase in the use of student exit tickets to measure student growth immediately after a classroom lesson.

Curriculum, Instruction and Assessment Weaknesses

List areas you would like to grow here:

- Small group instruction
- addressing individual student needs
- ensuring that students are making a year's worth of academic growth

Curriculum, Instruction and Assessment Needs

- Teacher professional development surrounding small group instruction, station rotations to support academic growth, and the "50 effective instructional strategies" from the special education leadership conference resource.
- Teachers will analyze student data (ex. MAP growth scores, SCA scores, tests/quizzes, and exit tickets) within their PLCs to determine how to address individual student needs within each 3 week progress report grading period.
- HB4545 advisory accelerated learning - monitoring progress to ensure student's are on track to pass STAAR

Curriculum, Instruction and Assessment Summary

Access your GT CAMP data here: https://docs.google.com/spreadsheets/d/1ubmICopfZi5uJlIFMxuP6L7HY2A1IJB2gIMXy-BOvvk/edit?usp=sharing
Comprehensive Needs Assessment

Curriculum, Instruction and Assessment Summary (Continued)

1.) Based on the 21-22 GT CAMP, 0 of the 5 areas were out of compliance.

Advanced Academics Reflection Questions:

1.) How do you ensure GT and high-ability students are scheduled correctly (Elementary- cluster grouping and secondary- advanced course placement)?
   Our GT campus coordinator monitors all students applying for GT services. WE try to target GT students to have time during advisory to gather and work on projects, etc.

2.) How are you communicating with all families about GT and/or advanced learning opportunities?
   We communicate with our parents through our website, our weekly parent newsletter, through our counseling website, and through direct conversations with students.

3.) How do you support a culture that provides advanced learning opportunities to all students?
   We have eliminated all "on grade level" classes and moved the level to "advanced" classes in ELA, Science, and Social Studies. Accelerated classes are offered at 6th grade for students who want to pursue advanced Math and science classes. High School level courses are offered through our CTE and Foreign Language departments. Students are encouraged to challenge themselves during our choice sheet course selection process.

Access your MAS Dashboard here: https://access.austinisd.org/DMMasVueApp/#/

Think about the following areas as you look at your data:
- Multilingual Programs at your campus
- Students with Interrupted Formal Education (SIFE)
- Refugee/Asylee students population
- Emergent Bilingual students participating in Special Education, Advanced Academics, and other programs
- Students in their 1st, 2nd, and 3rd, year in US schools

Multilingual Reflection Questions:

1.) How is the campus identifying and addressing the linguistic needs of students and how are they distinguished from other academic needs?

2.) What kinds of support and/or acceleration are available for multilingual students with varying needs such as SIFE?
   We currently offer an ESL class for new comers and students who are Emergent bilinguals. Students who are being successful are encouraged to take advanced classes in their areas of strength.

3.) How is the campus monitoring language acquisition? Be sure to consider both languages in Dual Language programs.
   Counselors and Aps meet to discuss students who are struggling and may need additional supports. Conferences are held with students and parents as needed.

4.) How does the campus welcome families and students that are new to the country? The grade level counselor works with the family to acquaint them with the traditions of the school day. Counselors personally escort the student through his/her entire schedule giving the student a personal tour of the school. Teachers are given advanced notice of the students arrival and needs.
Comprehensive Needs Assessment

Curriculum, Instruction and Assessment Summary (Continued)

Creative Learning Initiative (CLI)
Reflection Questions: How is my campus systematically ensuring that every student in every classroom experiences the benefits of...

1.) rigorous, differentiated Creative Teaching that increases academic achievement, cognitive development, and SEL skills in practice (students learning through Creative Teaching strategies at least twice/weekly)

2.) intentional community arts partner experiences during school time, on and off campus (every grade level participating in at least two community arts partnerships twice/school year)

3.) arts learning (every student receiving state-mandated instruction in visual arts, music, and drama; students learning dance through CLI's Dance Across Austin (DAA) implemented through PE lessons.)

Family and Community Involvement Strengths

List your campus strengths here:

- Weekly newsletter sent out with announcements and important information
Comprehensive Needs Assessment

Family and Community Involvement Strengths (Continued)

- PTA collaboration and support
- Mentor programs coordinated by our counselors (Ex. Seedling and PALS)
- Bailey Bonfire is a big community event in the Fall
- Communication with parents during peak times such as Back to School Night and course selection
- Opportunities to attend athletic games, fine arts performances, and other events (ex. Robotics)

Family and Community Involvement Weaknesses

List areas you would like to grow here:

- Teacher collaboration with parents for student progress
- Working with families to increase attendance for students with excessive absences
- Communication and collaboration with families about school safety (ex. drug prevention, gun violence prevention, etc)

Family and Community Involvement Needs

- Increase parent phone calls by teachers to celebrate successes and problem solve when students are not successful; document this communication in eCST.
- Implementing a consistent attendance policy with steps of intervention before filing truancy or withdrawing students; weekly attendance committee meetings to plan interventions.
- Information to and problem solving with parents and the community to prevent drug use among teens and to ensure the physical safety of the campus. Continuing to promote reporting of concerning behavior through contacting the school or the "See Something, Say Something" button on every teacher BLEND page.

Family and Community Involvement Summary

Coordinated School Health Areas:
- Family Engagement
- Community Engagement

Family and Community Engagement- AISD

Reflection Questions:
1.) Which area(s) will you focus on strengthening this school year (22-23)?

No data available. We will make sure the survey is taken this year, analyze the results, and put strategies in place once the survey is complete for 2022-2023.

2.) Why did you select this/these area(s)?

No data

School Context and Organization

School Context and Organization Strengths
- Many schools systems developed and working smoothly
- ongoing process of reviewing and updating systems as needed
- solid ongoing communication strategies with campus staff and parent community
- Formation of the “School Improvement Committee” (generated by teachers) to present and help to solve campus wide issues

School Context and Organization Weaknesses
- Staffing cuts at the district level are impacting what we offer in terms of classes for our student body.

School Context and Organization Needs
Comprehensive Needs Assessment

School Context and Organization Needs (Continued)
- more clarity around staffing in the future to ensure a robust pool of applicants for all open professional and classified positions

School Context and Organization Summary
- Continue to offer the widest variety of class choices for all students

Technology

Technology Data Sources
Staff (TELL) Survey results

Technology Strengths
Our campus has one to one devices for all students. Our campus uses BLEND school wide to assist students in their daily learning. Many of our teachers use a variety of online tools and curriculum resources to assist students. (Near pod, Flocabulary, Rewards, IXL, etc.)

Technology Weaknesses
One of our biggest weakness in the area of technology is having an adequate supply of chargers for students who lose them and keeping up with lost or damaged Chromebooks.

Technology Needs
Additional chargers and Chromebooks on campus that can be kept in teachers rooms when a student comes to class not prepared.
Comprehensive Needs Assessment

Technology Summary

Campus technology implementation and usage is strong on campus. The challenge is in keeping up with malfunctioning or damaged devices. That is too much for a single person to handle. With the sheer number of devices in use on a campus on any day, it is near impossible for one person to keep up with the maintenance demands of such a large group.
Goal 1. (Coordinated School Health) Coordinated School Health (CSH) is a cooperative approach to improve the physical, mental, and emotional health of all students, staff, and members of the educational community. A Whole Child approach is an effort to transition from a focus on narrowly defined academic achievement to one that promotes the long-term development and success of all children. A whole child is healthy, safe, engaged, supported, and challenged every day in every environment.

Objective 1. (CSH Implementation) SMART Goal: By the end of SY ‘22-‘23, the campus will achieve at least a 70% (Acceptable) rating on each of the 11 areas of the Coordinated School Health Survey.

Goal 3. (Increased Enrollment) Insert SMART enrollment goal here

Objective 1. (Increased Enrollment) SMART Goal Semester 1: Campus enrollment will be addressed by an increase in recruitment efforts at our feeder schools as well as increased efforts within Bailey to retain students already enrolled. This will include principal visits to all feeder schools, Zoom sessions with Feeder school parents, and student performance visits to feeders schools. SMART Goal Semester 2: 85% of current students will be registered for SY 22-23 by June 1, 2022.

**Instructions:**

1. Click on the campus name below to select your campus from the drop-down menu.
2. Fill in the remaining yellow cells with your 2023 Accountability Goals. The corresponding scaled scores will automatically be calculated.
3. After each SCA, fill in student level data on the grade/subject tabs and campus level data in the Key in Campus-Level Data Tab. Your SCA estimated accountability projections will automatically be calculated on this page.
