Mission

At Blanton Elementary we will create a safe and welcoming community that promotes engaging

Texas Public Education Mission Statement
The mission of the public education system of this state is to ensure that all Texas children have access to a quality education that enables them to achieve their potential and fully participate now and in the future in the social, economic, and educational opportunities of our state and nation. That mission is grounded on the conviction that a general diffusion of knowledge is essential for the welfare of this state and for the preservation of the liberties and rights of citizens. It is further grounded on the conviction that a successful public education system is directly related to a strong, dedicated, and supportive family and that parental involvement in the school is essential for the maximum educational achievement of a child. (TEC Title 2, Ch 4, Sec.4.001)

Austin Independent School District Mission
Austin ISD educates more than 80,000 students and embraces 129 diverse school communities in one of the fastest-growing metroplexes in the country. In partnership with our families and our community, AISD's mission is to provide a comprehensive educational experience that is high-quality, challenging and inspires all students to make a positive contribution to society. We partner with world-class universities, innovative businesses, nonprofit organizations and engaged community leaders to prepare our students for college, career and life.

Demographics

Demographics Strengths
Blanton is an authentically diverse campus.
American Indian or Alaska Native 0%
Asian 3%
Black or African American 8%
Hispanic 42%
Native Hawaiian or Other Pacific Islander 0%
Two or More Races 6%
White 40%

One demographic that is hidden is our Self-Identified Black or African American. If you look inside the Hispanic and Two or More Races category, we get a total Black student percentage of 14%

By income, last year we were 46% low income. This year’s numbers are highly inaccurate because about 1/3 of the income forms are incomplete.

Special education about 10%.

This authentic diversity is a strength because everyone can learn about different cultures and how to work together.

Demographics Weaknesses
The biggest challenge in our demographics is building a campus climate and culture where everyone feels loved, appreciated, and welcome.

Demographics Needs
To address our challenge we need to mindfully address cultural factors and continually improve campus climate and culture.

Demographics Summary
Comprehensive Needs Assessment

Demographics Summary (Continued)

At Blanton in 21-22 there were 7 total discipline incidents.

1.) In 2021-22, 0% of the students within the African American/Black population had one or more discipline events.
2.) In 2021-22, 0% of the students receiving Special Education services had one or more discipline events.

Student Discipline Reflection Question:

1.) How do you plan to address the overall % of disciplinary actions among your African American/Black student population?
2.) What systems will you have in place to decrease the discipline disparities among your students receiving Special Education services?

Due to the fact that zero Black students and zero special education students had formal discipline incidents, I am unable to answer these questions.

Student Achievement

Student Achievement Strengths

Blanton's strength in Student Achievement is in the growth/progress area. 94% of 4th and 5th graders in 21-22 made their progress points.

Student Achievement Weaknesses

We need to improve 3rd grade achievement in particular, achievement overall, and TELPAS growth throughout the grade levels.

Student Achievement Needs

Increased focus on 3rd grade
Increased focus on TELPAS writing, listening, speaking

Student Achievement Summary
Comprehensive Needs Assessment

Access your STAAR, MAP Growth, and TELPAS Reports here: (in the purple Performance Reporting section): https://docs.google.com/presentation/d/1uNcqEWl6GvQ3oliZCR-OzCgTQsHBYClEiqwa_zM21Qo/preview?slide=id.p7

Reflection Questions:
1.) What trends do you observe in mastery (% MEETS) for your students from historically underserved student groups? Use Campus Bar Charts (Gap Charts)

Reading and Math: Black and Hispanic students lag White students

2.) Using your 2021-22 STAAR data, what are your TWO lowest performing students groups (% MEETS)?

Black and Hispanic

3.) For MAP Growth, what trends do you observe in mastery for your students across grade levels and languages from BOY to EOY? Use STAAR Projected Proficiency Report

Due to the challenges with the EOY testing, the trends are substantially similar between BOY to EOY. Interestingly, they do not reflect actual STAAR results. The actual STAAR results are above the projection of BOY or EOY in all subjects and grades.

4.) For TELPAS, what trends do you observe in progress for your students across grade levels and TELPAS components? Use All Campuses Report

Overall our greatest need is in the area of Speaking. It is an artificial experience for the students to speak to the computer and this shows in our very low percentage of students at advanced and advanced high.

Overall the language development of our EB students needs to be an area of focus.

School Culture and Climate

School Culture and Climate Strengths

Blanton is a positive campus with a solid school culture and climate. We have systems to promote positivity.

School Culture and Climate Weaknesses

We would like to grow in the area of student voice and input.

2.) Which CSH areas do you feel something needs to change at the campus in order for the implementation score to reach 70%?

Health education was unable to be completed due to the HSR suspension.

Our biggest gap in CSH Implementation is the lack of a student CATCH team. This will be a welcome addition this year.

(Note: These are the areas to focus on in your CIP/TIP this year. At a minimum, each campus must address CSH Implementation, SEL, and Family or Community Engagement.)

**Blanton familia**

Por favor, háganos saber qué preguntas tiene! ¡No puedo esperar a que este año tenga un comienzo increíble!
¡Qué esperar para el regreso a clases!

¡Estamos muy contentos de que se una a nosotros aquí en Blanton!

Seguridad

Para la seguridad de la comunidad de Blanton, Blanton ha controlado la entrada durante el día escolar. Las puertas del patio de la escuela están cerradas con llave y todos los visitantes/voluntarios son escaneados a través del sistema raptor y se les otorga una credencial. Las zonas para dejar y recoger estarán en el frente de la escuela.

Es una política de todo el distrito que los padres no pueden ingresar al edificio a la llegada y salida para acompañar a los estudiantes a clase. Esto incluye el primer día de clases. Si los padres tienen preguntas para la oficina, podrán ingresar a la oficina.

Favor de dar abrazos y besos en el patio a la llegada. Los miembros del personal están estacionados en todo el edificio para ayudar a los estudiantes a llegar a clase. ¡Por esa razón, alentamos a todas las familias a que vengan a la noche de Conocer al Maestro!

Noche de Conozca al Maestro

12 de agosto de 2022, 4:30-6:00. Esta es una Casa Abierta donde las familias pueden ingresar al edificio, conocer al maestro, visitar el salón de clases, compartir información importante y dejar útiles.

- Comence en las mesas de nivel de grado en la entrada circular delantera.
- Cualquier familia que no esté asignada a un maestro visitará la oficina para resolver cualquier problema de papeleo.
- Habrá mochilas gratis disponibles en la cafetería, por orden de llegada.

Llegada el primer día

Si asististe a Meet the Teacher y sabes quién es tu profesor, ¡no hay necesidad de esperar en la puerta principal! ¡Los estudiantes pueden entrar al edificio y dirigirse a clase!

Si no sabe quién es su maestro, deténgase en la mesa del círculo de enfrente.

Recordatorio de que los padres no podrán acompañar a los estudiantes al edificio. ¡La zona de besos y abrazos estará en las puertas de entrada!

Las puertas abren todos los días a las 7:25 am. La campana de tardanza suena a las 7:40 am.
Los estudiantes pueden ser dejados en la línea de carros o por un padre que se acerque caminando. Los estudiantes mayores y sus hermanos pueden llegar solos, a discreción de los padres. **Por favor, no deje a sus estudiantes en la calle o en los estacionamientos de los maestros.** PK3(AM) y PK4 ingresan por las puertas delaneras más cercanas a la marquesina, y K-5th ingresa por las puertas delanteras más cercanas al asta de la bandera (vea el mapa a continuación).

**Llegada Mapa**

![Mapa de la escuela](image)

**Salida**

Todas las salidas se llevarán a cabo en el frente de la escuela a partir de las 3:08.

Los padres pueden informarle al maestro su plan de recogida en Meet the Teacher o los maestros se comunicarán el primer día de clases. Las familias deben elegir un área de recogida. **Tenga en cuenta que la opción Recogida a pie es mucho más rápida que Recogida en coche.**

Cada estudiante recibirá una etiqueta de mochila que está codificada por colores para su ubicación de recogida. Los padres o las personas designadas que recojan en automóvil o en persona deben tener una tarjeta para recoger a Blanton con el nombre y el grado del estudiante. Tendremos tarjetas en blanco disponibles en Meet the Teacher y en la entrega el primer día.

**Recogida a pie (flecha verde abajo).** Camine hasta la puerta entre el salón principal y el estacionamiento del personal. Un miembro del personal le entregará a su hijo. Los padres pueden estacionarse en la calle si conducen a la escuela para recogerlos. ¿Esta es la opción más rápida para recoger? Puede ser un poco lento la primera semana de clases, pero después de eso, los recolectores andadores son los más rápidos.

**Caminantes.** Los estudiantes en los grados 3-5 y sus hermanos pueden salir del campus de forma independiente para caminar o andar en bicicleta a casa si los padres le dan permiso al maestro.

**Recogida de coches (flecha amarilla abajo).** Ingrese a la rotonda girando a la derecha en Westminster Drive. No es seguro ingresar al camino girando a la izquierda. Si se forma una fila de autos mientras esperan para recogerlo, debe girar hacia Rogge Lane (vea la flecha en el mapa). Cuando se detenga en la entrada, soltarán a su hijo y lo acompañarán al automóvil. **Los padres no deben caminar hasta el área de recogida de automóviles.**
**Autobús/furgoneta de guardería.** Los estudiantes serán acompañados a su autobús o camioneta por un miembro del personal todos los días.

**Cuidado después de la escuela en el lugar.** Los estudiantes serán acompañados a BASE y Creative Action todos los días.

**Mapa**

**Llegada tarde**

Si llega a la escuela después de las 7:40, estacione y lleve a sus estudiantes a la oficina. Los estudiantes no deben quedarse solos en la puerta principal por ningún motivo.

**Salida**

Si necesita sacar a su estudiante temprano, puede llamar a la oficina con anticipación y tendremos a los estudiantes listos en la oficina. O bien, puede venir a la oficina y llamaremos por el estudiante. ¡Dé tiempo adicional para llegar a su cita! Por favor, no saque a los estudiantes entre las 2:30 y las 3:10 ya que es un momento muy ocupado para la oficina. Si necesita un estudiante entre las 2:30 y las 3:10, búsquelo entre las 2 y las 2:30 p. m.

**Servicio de alimentos**

¡Todos los desayunos y almuerzos son gratuitos para los estudiantes de Blanton! Los estudiantes pueden traer comida de casa. Para obtener una vista previa de los menús, use [https://www.schoolcafe.com/](https://www.schoolcafe.com/)

Llame a la oficina si tiene alguna pregunta: 512 414 2026. ¡Gracias!
