Postsecondary Readiness

Board Approval Date: December 14, 2023

Public Presentation Date: December 14, 2023

Mission Statement

With great spirit and high expectations, Mills Elementary supports a learner-centered community of problem solvers, information seekers, and creative thinkers. We provide a safe, successful learning environment with respect for individual needs. We believe that open, effective and continual communication among students, faculty, families and community is essential in building a successful learning environment. We believe that excellence in academics will occur for all children when individual needs and learning styles are acknowledged and supported. Mills also proudly sponsors multiple after school clubs and special activities throughout the school year.

Vision

Our campus vision is to collaborate with all school stakeholders to support a culturally diverse, learner centered community in order to build a resilient child for success in college, career, and life.
