Barton Hills Elementary

2026-2027 Performance Objectives

Board Approval Date: October 29, 2026
Public Presentation Date: September 10, 2026

Mission Statement

Barton Hills Elementary is a safe and empowering community where students learn, lead and contribute.

Vision

We envision a school in which we work as a professional learning community to:

- Monitor student progress to ensure that ALL students are learning
- Ensure students' continuous learning and mastery
- Demonstrate commitment to the social and emotional development of our students
- Create a campus community that fosters equity and inclusion
- Provide opportunities for students to develop as leaders
- Create a campus community that contributes to the future health and success of the global community

Value Statement

BHE Collective Commitments

To achieve the shared vision of BHE we have made the following commitments:

- Engage in meaningful work with collaborative teams to align curriculum, monitor student performance and ensure students meet their goals.
- Develop and implement processes for horizontal and vertical collaboration.
- Utilize data to inform instruction and make adjustments to ensure student learning.
- Provide parents with resources, strategies, and information to help students succeed.
- Continually establish, monitor, and adjust goals to guide our work.

HB3 Goal

Performance Objective 3: (TEC) The percentage of 5th-grade students earning approaches grade level or above on the STAAR Science Assessment in English or Spanish will maintain from 90% in June 2026 to 90% by June 2027.

HB3 Goal

Performance Objective 4: (TEC) The percentage of students receiving special education services (SpEd) in 3rd-5th earning approaches grade level or above (RDA uses passing rate = Approaches) on the STAAR Mathematics and Reading Assessments in English or Spanish will increase from 94% in June 2026 to 96% by June 2027.

Goal 3: Optional

Performance Objective 1: Sustainability. Schools are invited and encouraged to incorporate sustainability into your Campus Improvement Plan this year. There are many simple actions to create a healthier learning and work environment, reduce your building's negative impact on the environment and community, encourage energy efficiency and resource conservation, and foster student problem-based learning through sustainability. See the CIP Sustainability Recommendations to create your own goals and objectives.
