Vision

Our vision is to cultivate motivated, confident, and creative independent learners prepared to excel in their intellectual, emotional, and physical development.

Value Statement

"Hear our roar, watch us soar."

Key values and mindset:

- To connect and develop trusting and collaborative relationships (honoring everyone's culture - background, and values) because the relationship built between the teacher and student is a driving factor in that student's success.
- Foster motivated, confident learners who take pride in themselves and their community.
- Consistent, rigorous, goal-driven practices and many opportunities to think critically for the leopard community.
- A precise and systematic approach to expectations and routines that create a safe learning environment, and allow all students to thrive academically and emotionally.
