**Part III: Priority and Focus Schools**

**Priority schools** are the lowest 5% of Title I served campuses based on performance in reading, mathematics and graduation rates. Priority schools include Tier I or Tier II TTIPS schools, campuses with graduation rates less than 60%, and lowest achieving campuses based on All Students reading/math performance. **Focus schools** are 10% of Title I served campuses, not already identified as priority schools, that have the widest gaps between student group performance and safeguard targets. Campuses are ranked based on the largest gaps between student group reading/math performance and the annual measurable objectives (AMO) target of 75%.

**Priority School Identification**: No  **Priority School Reason**: N/A
**Focus School Identification**: No  **Focus School Reason**: N/A

A **high-performance reward school** is identified as a Title I school with distinctions based on reading and math performance. In addition, at the high school level, a reward school is a Title I school with the highest graduation rates. A **high progress school** is identified as a Title I school in the top 25% in annual improvement; and/or a school in the top 25% of those demonstrating ability to close performance gaps based on system safeguards.
