# Austin Independent School District Report on Violent or Criminal Incidents

## Austin ISD School Violence Prevention

All campuses implement social and emotional learning programs or practices, which help students identify and manage their emotions, build positive relationships with others, and make good decisions. This indirectly has a positive effect on reducing violence in our schools.

In addition, Austin ISD schools participate in No Place for Hate activities. This initiative provides educators and students with the resources to ensure that anti-bias and diversity education are an integral part of the school curriculum. No Place for Hate also helps to create and sustain inclusive school environments where all students feel valued and have the opportunity to succeed by promoting respect for individual difference while challenging bigotry and prejudice.
