By adopting a contract from another CTPA member district, the adopting district has met the competitive bidding requirements established by the Texas Education Code, Section 44.031(a)(4) and as required by the adopting district’s policies. There is no obligation on either the awarded vendor or the adopting CTPA member district to participate unless both parties agree. Upon mutual agreement of both parties to engage under the terms of the original contract, the vendor agrees to provide the contracted goods and services at the same or better contract pricing and purchasing terms established by the originating district. Minor modifications to the scope of work of the original contract may be allowed to accommodate the adopting district’s needs, as long as such modifications are directly related in nature to the original contract.

   C. **Document Sharing between Members.** To assist an adopting member district in establishing their supporting documentation, the awarded vendor’s response and related documents owned by the originating district may be shared without prior notification to the awarded vendor, unless the vendor at the time of their response to the original solicitation clearly annotates that such sharing of their response is to not occur without prior permission of the vendor.

   D. **Adopted Contract Management.** The adopting district shall be responsible for the management of the new contract and all payments to the contracted vendor. The originating district shall have no
responsibilities under the new contract agreement. Upon adoption of the contract by the adopting CTPA member district, the original term of the contract and any renewal or extension options allowed under the original contract shall then transfer to the adopted contract, and such renewals options may be executed by the adopting member district at its sole discretion and independently of the originating member district’s decision to execute such renewal options on the original contract.
