

**20RFQ005**

**Special Counsel to the Austin ISD Board of Trustees**

**Addendum 1**

**Questions and Answers**

- Q1. Are there any restrictions or conditions for a firm to respond to both this RFQ and the other RFQ for Legal Consulting Services for AISD (20RFQ006)? May my firm respond to both or are they mutually exclusive? If we respond to both are there restrictions on the attorney teams? Such as having no lawyers in common for each.
- A1. Firms may respond to one or both RFQs without limitation. Please know that if a firm is selected to be the Special Counsel to the Austin ISD Board of Trustees, then that firm's ability to provide legal services to the Administration has been routinely limited at Board request.
