## **DISTRICT ADVISORY COUNCIL ANNUAL REPORT 2018-2019**

### ***Introduction***

Each public school district in the state is required in §11.251 of the Texas Education Code to maintain a district-wide advisory committee to assist in the planning and decision-making process, and to provide advice and recommendations to the Superintendent and Board of Trustees. AISD policies BQ-Legal, BQA-Legal, and BQA-Local pertain to the District Advisory Council (DAC). This report documents DAC activities for the 2018-2019 school year, and is prepared in accordance with DAC bylaws for the information of the Board of Trustees.

February 26, 2019

The DAC also maintains an Executive Committee, the function of which is to discuss current issues and determine agenda items for regular DAC meetings. The Executive Committee held seven meetings during the period of report:

In compliance with statutory requirements, the DAC membership includes parents, teachers, community members, and business representatives. In addition, the DAC membership includes students, principals, counselors, librarians, at-large members, and classified staff members. Not all of the positions on the DAC are tied to campuses, but a large number of different campuses are represented. The Superintendent and a Trustee designated by the Board serve as *ex officio* members of the DAC.

Prospective DAC members are identified through various sources, including applications submitted through the standard process for district advisory bodies, references from campuses, references from other DAC members, references from the Austin Council of PTAs, and participants in the AISD UpClose program.

### ***Staff Support***

The Planning Supervisor of the Office of Innovation and Development (OID) serves as the DAC Coordinator. The Executive Director of OID provides senior staff level support to the DAC. In addition, during the course of the school year, various senior staff members of the district present items to the DAC.

The DAC Coordinator maintains the DAC webpage, makes arrangements for DAC meetings, maintains the DAC membership, provides orientation to new members, maintains DAC records, and serves as principal point of contact for the DAC.

### ***Conclusion***

For the period of report, the DAC provided the district with over 200 hours of assistance in considering a number of issues, and the DAC Executive Committee provided over 150 hours of service. DAC continues to provide an important contribution to accomplishing the mission and goals of the district.
