No public comment was made. One public commenter who signed up did not attend.

Here's a written comment from Pim Mayo.

I am part of a joint effort of parents across the district that believe AISD staff and the Board of Trustees should postpone any changes to wall-to-wall dual language programs and their receiving campuses. Our reasons for requesting a delay include: 1. Admitted lack of integrity has created distrust; 2. Community voices have been silenced; and 3. Equity demands authentic engagement, not displacement. I am part of a joint effort of parents across the district that believe AISD staff should postpone any changes to wall-to-wall dual language programs and their receiving campuses. We will be circulating more information that provides more detail for this request today, please keep an eye out for it. Thank you.
