

AUSTIN
Independent School District

Open for Learning

Board Regular Voting Meeting
Monday, October 26, 2020
Dr. Stephanie Elizalde, Ed.D.,
Superintendent

Next steps

- Central staff has returned
- November 2, all students welcome to return
- Parent Survey – Oct. 21 thru Oct. 28
- November 3 – Student Holiday – Professional Development day (remote work, if not needed on campus for elections)

- In compliance with the Texas Education Agency's (TEA) funding requirements as stated on their website in the FAQ's on pages 6 and 7, questions 4 and 6 respectively ([here](#)), school districts are required to provide on campus instruction, which we know is the best method of instruction for many students.

American Academy
of Pediatrics

DEDICATED TO THE HEALTH OF ALL CHILDREN®

- "Physical distance between desks should follow current public health guidance. In the absence of specific guidance, desks should be placed at least 3 feet apart, and ideally 6 feet apart. If desks are spaced less than 6 feet apart, face coverings should be strongly encouraged and adhere to public health guidance. In many jurisdictions, face coverings are mandatory for children in public settings³, including schools." [American Academy of Pediatrics](#)
