Impact of the changes discussion

- Sharon would like guidance to people about the impact of hiring, training, and supports needed by SPED given the impact of more students with dyslexia moving to SPED.
- Dyslexia intervention indicator updates shared with committee (drop down list of evidence based dyslexia interventions) which is/will be across CST/504/SEEDS
- Discussion of the campus staffing needs, who can provide all the intervention on campus.. Many campuses only have one reading specialist to serve all students.
- Discussion of the evaluations and the current ability of AISD to complete all evaluations. There is a shortage of people trained to evaluate, despite the additional 1 year fund from TEA to help support.

Middle school:

- At Covington for the official Dyslexia Middle school Project, but O'Henry, Murchison, Gorzycki doing a version of it.

Grant: Overton based , we have a Project Director, interventions provided reviewed.

Dyslexia Handbook should be finalized in Novemeber. No draft currently available.

Website update: all content suggestions from committee adjusted. Hard to adjust the formatting on the website
