

Fine Arts and Creative Learning Vision Statements for 2019 FMP:

A LIFE WITH ART: Create a lifelong appreciation for the arts, whether that be through mastery, proficiency or enjoyment.

STUDENT AGENCY: Foster student voice and choice and allow students to select and guide their artistic path and engage with the programs and facilities at their own pace.

ACCESSIBILITY AND EQUITY: Provide equity for all students within all aspects of Fine Arts, including access to state of the art facilities, equipment, instruments, and instruction from educators and coaches.

COMMUNITY: Develop community around programs - both across the district and within individual campus communities – that promote strong relationships with local partners and affords students opportunities to take pride in their education, their performances, and their creative work.

CELEBRATE ARTISTIC EXPRESSION: Reflect an arts-rich environment that immerses and exposes all students to the many forms of artistic expression and provide a multitude of spaces – both professional and impromptu – for which they may express any level of proficiency or performance.

HIGH QUALITY ENVIRONMENTS: Create spaces that provide high quality environments that best prepare students to be successful today and into the future. Spaces should be flexible and adaptable to meet the changing needs of creative programs and provide the best functional efficiency for the District in the future.
