Name Change:

Any employee wishing to change his/her name on official AISD records must provide:

- a social security card showing the employee's new name, and
- a valid photo ID (such as a driver's license).

This information must be provided in person at the Office of Human Resources.

If you change your address, phone number and/or name on official AISD records, you must also contact TRS separately to update the same information on their records. It is important to keep the records updated at both AISD and TRS.
