- Members of the public may join the zoom meeting 15 minutes prior to the scheduled start to sign-up for public comment.
- Up to 10 minutes of public comment will be allowed per meeting with a limit of **one minute per speaker**.

# Agreements

---

- Stay engaged (Ask and respond to questions, etc.).
- Please keep your camera on (if possible). Your “in-real time” face and authentic presence are important to all of us.
- Extend respect to fellow members inside and outside the committee.
- Be mindful of being a dominant voice. We want to hear all voices.
- Share and make space for others to share questions and perspectives.
- One mic, one voice. Refrain from using the chat for side conversations.
- Speak only from the “I” perspective.

# Approval of Joint Committee Minutes

---

## August 16th and August 23rd

- Minutes are records of meeting highlights, and are not intended to provide a high level of detail.
- At a minimum, minutes shall include: attendance of members, staff, and visitors; the time the meeting was called to order and adjourned; the outcome of any votes or other actions; and a brief synopsis of the meeting proceedings.

# Meeting Goals

---

- To have a collective understanding of each other's goals and strategies
  - In cases where the goals are aligned, we would like committees to work together to develop one common goal and set of strategies.
- This work will continue on 9/17 and 9/28 with different topics. If additional time is needed, your PMs will coordinate to schedule that time with the committees needed.

# Break Out Discussion

---

- Each co-chair shares the problem statement(s) related to the topic
- Each committee member will then share the strategy that they feel is most likely to disrupt systemic inequity
- Each subject matter expert introduces themselves and provides any insight to what they have heard
- Things to think about during discussion
  - Do you think there are any opportunities for a shared goal?
  - What information do you need from SME to progress the work?
