

Community Engagement Phase 1 (Sept.-Dec. 2021)

Step one in Equity by Design is to identify who to talk to first. To do this we looked at data about **students**, **neighborhoods** and **facilities**. By looking at **students** and **neighborhoods** first, we were able to prioritize English and Spanish engagement efforts with groups that have been historically underserved by systems both within and outside of the district. Although we focused our outreach in these communities, there have been opportunities for all of our

Outreach Goals

To understand things that are working and what should continue.

To understand things that are not working or are missing.
