The New World Bakery

Allergen Notice

Although the products received from The New World Bakery do not contain any allergens they are processed in a facility that also processes products with allergens. The following allergens are used in our facility:

- Eggs
- Milk Powder
- Cheese
- Various grains and flours
- Tree Nuts (Almonds)
- Butter

We have an Allergen Control Program and a Sanitation program in place per our HACCP Certification used to help prevent cross contact. We do not allow peanuts or shellfish in our facility. Tree Nuts are only used during the holiday season, November-December, for our Christmas Stollen.
