Austin Independent School District
Walnut Creek Elementary
2026-2027 Turnaround Plan

Needs Assessment and Stakeholder Engagement

I assure that the campus named in this plan has conducted an on-site needs assessment in accordance with Texas Education Code (TEC) §39A.053 to determine the factors contributing to low performance and lack of progress. Examples of aligned diagnostics used may include, but are not limited to, the Effective Schools Framework (ESF) Diagnostic, the Effective District Framework Diagnostic, Texas Strategic Leadership (TSL) Landscape Analysis, or a locally developed needs assessment.

Yes

I assure that the locally conducted needs assessment met the requirements in Section §39A.053 of the Texas Education Code, and that the documentation of the needs assessment and supporting analyses is maintained locally and available upon request.

Yes

I assure that I will opt into joining the Texas Exchange for use of the Instructional Insights App and use it as the campus observation and feedback system for school year 26-27. Warning: If your campus does not plan to join the Exchange, then there must be a robust observation and feedback system in place or the TAP is likely to be denied.

Yes

I assure that the Campus Intervention Team (CIT) has conducted a public meeting for this campus required to submit a Turnaround Plan, in accordance with Texas Education Code (TEC) §39A.104, with the campus principal, members of the campus-level planning and decision-making committee, parents of students attending the campus, and community members residing in the district to review the campus performance rating and solicit input for the development of the Turnaround Plan.

Yes

I assure that written notice of the required public meeting was provided to the parents of students attending the campus and posted on the campus website, in accordance with Texas Education Code (TEC) §39A.104, and that the notice included the date, time, and place of the meeting.

Yes

I assure that the board conducted a public hearing for this campus identified for school improvement, in accordance with Texas Education Code (TEC) §39A.103 and §39A.104, to notify the public of the campus's insufficient performance, the improvements in performance expected by the agency, and the intervention measures or sanctions that may be imposed if performance does not improve. I further assure that the board solicited public comment on the plan and that the plan was posted on the district website prior to the hearing.

Yes

Please select the date of board approval for this plan:

October 29, 2026

As part of the Turnaround Plan (TAP) submission, in accordance with Texas Education Code (TEC) §39A.104, the LEA must upload documentation of stakeholder feedback or the stakeholder engagement process. If no comments were received, the LEA must upload a document explaining the public comment process conducted and the reason stakeholder comments were not submitted. Please upload a copy of public comments or additional documents explaining the lack of public comments:

Walnut Creek Community Feedback.pdf

SI Strategy

Please select the option that best describes your overall school improvement strategy for this campus for the 2026-2027 school year.

Intensive Curriculum & Instruction Improvements

Which, if any, program is this campus engaged with for the 26-27 school year?

Other

Please specify the other program:

TNTP Learning Lab

Which, if any, program is your school system interested in to support this strategy?

Our campus is not engaged in a TEA program

Please name any organizations you are currently working with to build capacity and support school improvement strategy implementation.

TNTP, District Staff

How many district staff members will be responsible for capacity building with this campus?

2

What are the names and roles of district staff members responsible for capacity building, and what percentage of their role is dedicated to supporting implementation of the school improvement strategy? Please include Name, Role, and Percent for each staff member.

Patricia De Luna, Executive Director of Elementary Schools: 50%
Dr. Joe Garza, Assistant Superintendent of Elementary Schools: 50%

Please describe the organization's or staff member's experience and track record in school turnaround (moving a campus from failing to meet standards to meeting and/or exceeding standards).

Dr. Joe Garza
Assistant Superintendent of Elementary Schools is an accomplished educational leader with over two decades of experience driving successful school turnarounds across campus, district, and regional levels. Beginning his administrative career as a principal from 2002 to 2018, he transformed three elementary schools from struggling Focus and PEG designations into high-performing Exemplary, A-rated, and National Blue Ribbon institutions. As an Executive Director of Schools, he scaled this impact district-wide by elevating every C- and D-rated campus under his supervision to A and B status. He subsequently expanded his work at the Regional Service Center, guiding complex improvement initiatives and facilitating innovative SB 1882 partnerships, before stepping into his current role as Assistant Superintendent.

Patricia De Luna
Executive Director of Elementary Schools
Patricia De Luna has an established record of leading dramatic school improvement efforts across multiple campuses. After several years as a campus administrator, she was hand-selected to join the leadership team of a high school facing significant academic and operational challenges. Within two years, her leadership contributed to marked improvements in academics, behavior, attendance, and graduation rates.
Building on that success, Ms. De Luna became Principal of Ortiz Elementary, a campus with a high percentage of economically disadvantaged students and a large emergent bilingual population. Under her leadership, Ortiz achieved an A rating and earned multiple academic distinctions, ultimately being recognized as a National Blue Ribbon School.
As an Executive Director in Austin ISD, Ms. De Luna continues to lead turnaround work with a focus on instructional excellence and equitable outcomes. All campuses under her supervision have improved by at least one letter grade, reflecting her deep commitment to effective leadership, strategic support, and sustainable school transformation.

Please outline the projected costs required to implement the plan, including expenses for materials and staffing needed to support the strategy. Be sure to clearly specify the anticipated funding sources for each cost.

Unless otherwise indicated, the funding source is from the local budget.

TNTP Learning Lab (49.5% District Commitment, 50.5% Philanthropic support from the Austin Ed Fund, Austin ISD's education foundation): $27,775

District Commitment to Hold Harmless During Staff Reduction Process ahead of the 2026-27 SY when Student to Teacher Ratio was Increased District Wide: $296,218.00

Parent Support Team Member for Family Engagement and Support (50% City of Austin Grant): $25,124

If the strategy is contingent on a grant funding source, what is your alternative funding or implementation plan if you do not receive the grant? How would your district still support and execute this strategy?

Local and Title funds will be allocated to prioritize complete fidelity of implementation of the school improvement strategy.

How will the campus or district redistribute talent and resources to proportionately support this campus's needs?

The district has a Support and Resource Index that it uses to prioritize campuses in the way they are resourced and supported by the district. All campuses with a Turnaround Plan are in the highest band. This means that these campuses will be given extensive consideration when considering budget cuts, changing staffing formulas, and leveling. It also means that campuses with Turnaround Plans will be given first priority when it comes to operational support, like resolving tickets for maintenance, so that all barriers to student learning are removed with the greatest urgency. When it comes to staffing for vacancies, campuses with Turnaround Plans will be given the greatest consideration by staffing partners in Talent Strategy, especially to place certified teachers with TIA designation and 2+ years of teaching experience. Campus leadership will receive ongoing coaching and consultation to ensure the most effective teachers are placed to critical grade levels and foundation curriculum subjects on the campus.

The district reduced caseloads for Executive Directors assigned to Turnaround campuses, enabling them to provide frequent, embedded coaching and administrative oversight.

Curriculum and Instruction

Please select the adopted curriculum for: K-5 Math

STEMscopes Texas Math

Is this the curriculum that will be implemented for the duration of the plan for: K-5 Math?

Yes

How many instructional minutes per week are in the master schedule for K-5 Math curriculum delivery?

425

Does the amount of minutes meet the required/recommended number of minutes for the K-5 Math curriculum?

Yes

Please select the adopted curriculum for: K-5 RLA

HMH Into Reading Texas/ HMH ¡Arriba la lectura! Texas

Is this the curriculum that will be implemented for the duration of the plan for: K-5 RLA?

Yes

How many instructional minutes per week are in the master schedule for K-5 RLA curriculum delivery?

550

Does the amount of minutes meet the required/recommended number of minutes for the K-5 RLA curriculum?

Yes

Please select the adopted curriculum for: 6-8 Math

Not applicable

Please select the adopted curriculum for: 6-8 RLA

Not applicable

Please select the adopted curriculum for: 9-12 Math (Algebra 1, Algebra 2, Geometry)

Not applicable

Please select the adopted curriculum for: 9-12 RLA

Not applicable

How many instructional days are included in the 2026-2027 calendar?

171

Use the provided table to describe the campus's assessment plan, including the specific assessment tools that will be used, whether it is a district or campus assessment, frequency, and how the results of the assessment will be used.

Type of Assessment	Please specify other assessment type:	Campus or District	Frequency	Purpose (how will these results be used)
Other	MAP Growth Math and RDG	District	BOY/MOY/EOY	Screener - measures what students know and can do independently - literacy and numeracy
Other	MAP Reading Fluency	District	BOY/MOY/EOY	Assesses foundational literacy skills - oral and written reading fluency
Curriculum Based Assessment		District	BOY/MOY/EOY	Assessing curriculum attainment and student proficiency of standards
Other	Unit Assessments	Campus	Bi-Monthly	Results will guide instructional focus and reteach as a whole group or small group
Other	Common formative assessments	Campus	Weekly	Results will guide instructional focus and reteach as a whole group or small group

Describe the campus system for monitoring student growth data, including how student growth data will be tracked and monitored.

AISD BOY and MOY Student Data Trackers: Using NWEA MAP STAAR Projected Proficiency Levels. Teachers and students will track if students are meeting their personal Academic Growth goals.

The campus monitors student growth through individual student growth trackers created by principals and distributed to all students. Students use these trackers to record assessment data, set performance baselines, and monitor their own academic progress over time. Campus leadership conducts periodic checks of these trackers to ensure fidelity of usage, analyze campus-wide growth trends, and deliver targeted instructional support.

What is the campus plan for student intervention and supporting students below grade level and in special populations?

Campus has developed a comprehensive MTSS plan (Linked here). Using multiple sources of data campuses will provide Tier 2 & 3 intervention using district approved interventions and document all progress monitoring in eCST. Meetings will be held to place students into intervention and then convene again to review progress monitoring data to make data informed decisions regarding student responsiveness to the interventions provided.

Will the campus implement a PLC structure?

Yes

How will PLCs be organized (by grade level, content area, etc.)?

PLCs are organized by grade level

How frequently will PLCs occur?

PLCs occur 90 minutes a week
45 minutes are dedicated to Internalization of the Lesson with HQIM
45 minutes are dedicated to data analysis of student work and data tracking

Who will facilitate PLCs?

Principal, Assistant Principals, Instructional Coach

Who is required to attend PLCs?

Instructional Coaches, Administrators. General Education Teachers, ESL teachers, and Special Education teachers are required to attend PLCs.

Please describe the PLC protocol used at the campus. You may upload your PLC agenda as additional evidence to ensure clarity.

Every Wednesday, during teacher's common planning PE time, the grade level meets in the team leader's classroom to review upcoming week's lessons using a campus template. Teachers meet with an administrator or IC by subject and follow the district internalization lesson tools to dive into the lessons for the following week.

Every Thursday, the administrators lead the PLC with review of data including review of student work and intervention data. Data trackers are completed as a grade level and discussions guide what flexible intervention groups will look like.

Upload PLC agenda (optional):

—

Capacity Building

Please describe your planned training/PD sessions for each role, including who delivers and who attends.

Role	Training/PD Description	Delivered By	Attended By
Principal Manager	Principal supervisors will receive specialized training to strengthen their ability to coach and support campus leaders. This learning will include developing consistency in instructional expectations, deepening understanding of the district's curriculum, and conducting classroom walk-throughs using common observation and feedback protocols.	TNTP	Principal Supervisors
Principal	Principals will engage in monthly professional learning sessions designed to enhance their instructional leadership. These sessions will focus on observing and facilitating Professional Learning Communities (PLCs), providing meaningful feedback to teachers, and supporting effective curriculum implementation across all content areas.	TNTP	Principals

Role	Training/PD Description	Delivered By	Attended By
Teacher	Teachers will begin the year with districtwide professional development tailored by content area, equipping them to effectively use district-adopted materials for Tier 1, Tier 2, and Tier 3 instruction. Throughout the year, teachers will attend quarterly curriculum sessions to deepen their understanding of AISD curriculum documents, analyze student data, and plan for reteaching based on student needs. In addition, district professional learning days will focus on strengthening MTSS practices, where ELA and math teachers will receive training on intervention strategies, district-approved resources, and systems for monitoring student progress. Together, these professional learning structures ensure that every educator in Austin ISD is supported to deliver rigorous, aligned, and responsive instruction for all students.	TNTP	Teachers
Other Campus Admin (Assistant Principals, Instructional Coaches)	TNTP will provide school leaders with opportunities to develop their instructional leadership skills including understanding the district-adopted literacy and math curriculum, leading instructional rounds, and providing teachers with high-quality coaching through observation & feedback cycles. This development will occur biweekly, in alignment with the Learning Lab model.	TNTP	Other Campus Admin

How will you differentiate training for inexperienced (less than 2 years in role) and/or ineffective teachers/leaders?

Ongoing instructional leadership team walkthroughs and rounds will focus on specific areas and subjects to observe teachers. From these calibrations and debriefs, the team plans feedback and coaching cycle discussions to share with teachers who were observed. Any trends result in professional learning discussed and used in PLCs. Teachers will receive consistent feedback from these discussions and will be expected to turn around those strategies.

What tool will be used to evaluate implementation of the training (for example, classroom walkthrough tool, leadership coaching tools)? What look fors will be included in this tool?

Classroom walkthrough forms provided by the district, including the LIFT walkthrough forms, will be utilized to evaluate implementation of the training. Administrators will look for teachers using the feedback from walkthroughs and coaching cycles to implement in the classrooms.

How frequently will each teacher receive an observation from an instructional leader or coach, and receive feedback?

Other

Please describe the observation frequency:

Feedback from an instructional leader or coach will be provided weekly or bi-weekly.

What capacity building supports related to supporting students in special populations will teachers and administrators receive?

Weekly PLCs will be conducted with special education staff and led by administrators. These PLCs will center around student data, goal-setting, and instructional expectations, including collaboration of goals and progress monitoring with general education teachers at least once a month

Milestones

List 16-20 key milestones your campus will complete to implement this strategy (8-10 per year). Milestones must represent specific, actionable implementation steps, not broad goals or general activities. Align milestones to key checkpoints: December 2026, May 2027, August 2027, December 2027, May 2028, August 2028.

Milestone 1

Description – What specific action or deliverable will be completed?

Establish protected weekly PLC schedules and train all instructional staff on HQIM lesson internalization.

Timeline – By what checkpoint will this milestone be completed?

December 2026 (BOY → MOY Year 1)

Responsible Roles – Who is accountable for this milestone?

Principal Assistant Principals (APs) Instructional Coach (IC)

Evidence of Completion – What artifact, data, or observable action will verify completion?

Finalized campus master schedule
PD Plan
Agendas

Support Needed – What training, coaching, resources, or tools are required?

HQIM internalization template
PLC agenda framework
District leadership coaching on PLC facilitation

Milestone 2

Description – What specific action or deliverable will be completed?

Complete BOY MAP and assessment windows with 100% student participation to guide identification of students requiring support
Disaggregate baseline data to identify student learning gaps and identify students needing intervention
Conduct side-by-side instructional leadership learning rounds to monitor Tier 1 HQIM instruction, ALP execution fidelity, and small group intervention quality

Timeline – By what checkpoint will this milestone be completed?

December 2026 (BOY → MOY Year 1)

Responsible Roles – Who is accountable for this milestone?

Principal Assistant Principals (APs) Instructional Coach (IC)

Evidence of Completion – What artifact, data, or observable action will verify completion?

MAP Participation reports
Disaggregated BOY data tracking,
initial tiered student rosters

Assessments
CDA Data Tracker
Leadership Learning Walks debrief notes
Perform observation feedback forms

Support Needed – What training, coaching, resources, or tools are required?

CDA Data Tracker facilitation
CDA Data Tracker support

Milestone 3

Description – What specific action or deliverable will be completed?

Intentional (Academic) Monitoring to keep students on track

Timeline – By what checkpoint will this milestone be completed?

December 2026 (BOY → MOY Year 1)

Responsible Roles – Who is accountable for this milestone?

Principal AP IC

Evidence of Completion – What artifact, data, or observable action will verify completion?

Monitoring Flow Charts

Support Needed – What training, coaching, resources, or tools are required?

NA

Milestone 4

Description – What specific action or deliverable will be completed?

Using MOY Assessment Data to create a reteach plan

Timeline – By what checkpoint will this milestone be completed?

December 2026 (BOY → MOY Year 1)

Responsible Roles – Who is accountable for this milestone?

Principal AP IC

Evidence of Completion – What artifact, data, or observable action will verify completion?

MOY Data Tracker
Updated flexible intervention regrouping logs

Support Needed – What training, coaching, resources, or tools are required?

Access to district data dashboard
MAP MOY analysis protocols

Milestone 5

Description – What specific action or deliverable will be completed?

Ongoing feedback for Implementation of instructional reteach plan from data digs

Timeline – By what checkpoint will this milestone be completed?

May 2027 (MOY → EOY Year 1)

Responsible Roles – Who is accountable for this milestone?

Principal AP IC

Evidence of Completion – What artifact, data, or observable action will verify completion?

Perform observation feedback forms
Leadership Learning Walks debrief notes

Support Needed – What training, coaching, resources, or tools are required?

NA

Milestone 6

Description – What specific action or deliverable will be completed?

Complete Interim and MOY diagnostic/interim assessments, conduct comprehensive data reviews, and evaluate intervention progress.

Timeline – By what checkpoint will this milestone be completed?

May 2027 (MOY → EOY Year 1)

Responsible Roles – Who is accountable for this milestone?

Principal AP IC

Evidence of Completion – What artifact, data, or observable action will verify completion?

Interim Data Tracker
Updated flexible intervention regrouping logs

Support Needed – What training, coaching, resources, or tools are required?

Access to district data dashboard
MOY analysis protocols
Assessment calibration tools

Milestone 7

Description – What specific action or deliverable will be completed?

Begin highlighting challenges from this school year for a strong start for the 2027-2028 school year

Timeline – By what checkpoint will this milestone be completed?

May 2027 (MOY → EOY Year 1)

Responsible Roles – Who is accountable for this milestone?

Principal Assistant Principals (APs) Instructional Coach (IC)

Evidence of Completion – What artifact, data, or observable action will verify completion?

Instructional Leadership Team agenda
PD Plan 2027

Support Needed – What training, coaching, resources, or tools are required?

NA

Milestone 8

Description – What specific action or deliverable will be completed?

Establish protected weekly PLC schedules and train all instructional staff on HQIM lesson internalization.

Timeline – By what checkpoint will this milestone be completed?

August 2027 (EOY → BOY Year 2)

Responsible Roles – Who is accountable for this milestone?

Principal Assistant Principals (APs) Instructional Coach (IC)

Evidence of Completion – What artifact, data, or observable action will verify completion?

Finalized campus master schedule
PD Plan
Agendas

Support Needed – What training, coaching, resources, or tools are required?

HQIM internalization template
PLC agenda framework
District leadership coaching on PLC facilitation

Milestone 9

Description – What specific action or deliverable will be completed?

Complete BOY MAP and assessment windows with 100% student participation to guide identification of students requiring support

Timeline – By what checkpoint will this milestone be completed?

December 2027 (BOY → MOY Year 2)

Responsible Roles – Who is accountable for this milestone?

Principal Assistant Principals (APs) Instructional Coach (IC)

Evidence of Completion – What artifact, data, or observable action will verify completion?

MAP Participation reports

Support Needed – What training, coaching, resources, or tools are required?

CDA Data Tracker facilitation

Milestone 10

Description – What specific action or deliverable will be completed?

Disaggregate baseline data to identify student learning gaps and identify students needing intervention

Timeline – By what checkpoint will this milestone be completed?

December 2027 (BOY → MOY Year 2)

Responsible Roles – Who is accountable for this milestone?

Principal AP IC

Evidence of Completion – What artifact, data, or observable action will verify completion?

Disaggregated BOY data tracking,
initial tiered student rosters

Assessments
CDA Data Tracker

Support Needed – What training, coaching, resources, or tools are required?

CDA Data Tracker support

Milestone 11

Description – What specific action or deliverable will be completed?

Conduct side-by-side instructional leadership learning rounds to monitor Tier 1 HQIM instruction, ALP execution fidelity, and small group intervention quality

Timeline – By what checkpoint will this milestone be completed?

December 2027 (BOY → MOY Year 2)

Responsible Roles – Who is accountable for this milestone?

Principal AP IC

Evidence of Completion – What artifact, data, or observable action will verify completion?

Leadership Learning Walks debrief notes
Perform observation feedback forms

Support Needed – What training, coaching, resources, or tools are required?

NA

Milestone 12

Description – What specific action or deliverable will be completed?

Intentional (Academic) Monitoring to keep students on track

Timeline – By what checkpoint will this milestone be completed?

December 2027 (BOY → MOY Year 2)

Responsible Roles – Who is accountable for this milestone?

Principal AP IC

Evidence of Completion – What artifact, data, or observable action will verify completion?

Monitoring Flow Charts

Support Needed – What training, coaching, resources, or tools are required?

NA

Milestone 13

Description – What specific action or deliverable will be completed?

Using MOY Assessment Data to create a reteach plan

Timeline – By what checkpoint will this milestone be completed?

December 2027 (BOY → MOY Year 2)

Responsible Roles – Who is accountable for this milestone?

Principal AP IC

Evidence of Completion – What artifact, data, or observable action will verify completion?

MOY Data Tracker
Updated flexible intervention regrouping logs

Support Needed – What training, coaching, resources, or tools are required?

Access to district data dashboard
MAP MOY analysis protocols

Milestone 14

Description – What specific action or deliverable will be completed?

Ongoing feedback for Implementation of instructional reteach plan from data digs

Timeline – By what checkpoint will this milestone be completed?

May 2028 (MOY → EOY Year 2)

Responsible Roles – Who is accountable for this milestone?

Principal AP IC

Evidence of Completion – What artifact, data, or observable action will verify completion?

Perform observation feedback forms
Leadership Learning Walks debrief notes

Support Needed – What training, coaching, resources, or tools are required?

NA

Milestone 15

Description – What specific action or deliverable will be completed?

Complete Interim and MOY diagnostic/interim assessments, conduct comprehensive data reviews, and evaluate intervention progress.

Timeline – By what checkpoint will this milestone be completed?

May 2028 (MOY → EOY Year 2)

Responsible Roles – Who is accountable for this milestone?

Principal AP IC

Evidence of Completion – What artifact, data, or observable action will verify completion?

Interim Data Tracker
Updated flexible intervention regrouping logs

Support Needed – What training, coaching, resources, or tools are required?

Access to district data dashboard
MOY analysis protocols
Assessment calibration tools

Performance Management

Please describe how district and campus leaders will monitor the successful implementation of this plan.

Weekly and bi-weekly review of strategies and the plan including from walkthroughs in classrooms and in ILT meetings.

District and campus leaders will use a multi-tiered progress monitoring system to track both implementation fidelity and student outcome data. This includes analysis of universal screeners, curriculum-based assessments (CBAs), STAAR Interim results, and formative assessments.

Principal Supervisors (Executive Directors of School Leadership) will conduct weekly campus visits to observe classroom instruction, PLCs, and ILTs, reviewing meeting agendas, data trackers, and observation/feedback logs to ensure alignment with instructional priorities.

Campus Instructional Leadership Teams (ILTs) will monitor fidelity to high-quality instructional materials, data-driven instruction routines, and intervention implementation during weekly PLCs.

District-level Academic leaders will review assessment trends, coaching data, and walkthrough results every six weeks to evaluate progress and determine whether supports are effectively improving student outcomes.

Who will be responsible for reviewing progress towards the milestones described in the previous section?

Superintendent: Co-leads Mid-Semester and End-of-Semester reviews, sets the vision, holds executive leaders accountable for progress toward milestones, and approves plan adjustments.

Assistant Superintendent of K–12 Academics and Chief of Academics: Analyze assessment and implementation data, identify instructional trends, and recommend adjustments to curriculum implementation, professional learning, and resource allocation.

Executive Director of School Leadership: Monitor principal performance and supervisor fidelity bi-monthly, using visit trends and feedback quality to inform principal coaching and professional development.

Campus Instructional Leadership Teams: Conduct weekly reviews of classroom data, PLC outcomes, and intervention plans to ensure instructional alignment and responsiveness to student needs.

How frequently will progress toward milestones be reviewed?

Other

Please describe the review frequency:

Weekly: Exec Directors conduct on-site coaching visits with classroom observations, PLC participation, and ILT check-ins. Biweekly: ILTs review assessment results, walkthrough data, and intervention progress, updating campus trackers and dashboards. Every 6 Weeks: District Academic teams review assessment data & implementation evidence to adjust PD/resources/ supports. Mid & End of Semester: Superintendent reviews milestone completion, evaluate effectiveness of supports, and determine next steps.

How will milestone progress data be collected?

ED coaching sessions with principals - documents
Leadership team meetings - documents
Principal coaching sessions with teachers/PLCs - documents
PLC agendas - PLC artifacts (both data and instructional)
Student-metrics expected to improve based on the work above (aligned to assessment plan

How will milestone progress data be shared with district leadership and other relevant stakeholders?

Milestone progress will be shared through biweekly leadership meetings, Executive Director debriefs, and monthly progress monitoring reports. The Instructional Leadership Team (ILT) will summarize trends from assessment results, walkthrough data, and implementation evidence to inform leadership decisions and resource allocation. Data summaries and key findings will be documented in shared dashboards and written progress reports for transparency and timely district response. In addition, updates will be communicated to stakeholders—including staff, families, and community partners—through School Leadership Team meetings and family engagement events to promote shared ownership of student success.

Student Outcome Goals
