 School closure/Cierre de
escuela

Bryker Woods ES

Proposed Changes	What does this mean for my school?	What does this mean for my child next year?	What is my new feeder pattern?	Accountability Requirements
Closure	Bryker Woods ES will close. Students will be reassigned to Mathews ES or Brentwood ES based on their address. See North Central Elementary School Updates for more information.	If you live in Bryker Woods ES's current boundary, you can go to Mathews ES or Brentwood ES based on your address. If you are a transfer student to Bryker Woods ES, you can return to your zoned school or apply to transfer to another campus.	See page for your new zoned school.	N/A

Starting in **Spring 2026**, we will work closely with families and staff to merge school communities thoughtfully. The new, combined campuses should **reflect the best of each and honor what matters most** to students, families, and staff. This means keeping important programs, clubs, and traditions that people care about. We want to keep what makes each school special and build a new school community that shows the strengths of both. [See our Transition Plans section for more information.](#)

If your school is **not closing** and **your current program is staying the same**, your child can continue attending the school through the **final grade level it offers**.

Any student can apply to transfer to another campus. [See our proposed Transfer Policy changes](#)
