Proposed Changes	What does this mean for my school?	What does this mean for my child next year?	What is my new feeder pattern?	Accountability Requirements
<ul style="list-style-type: none"><li>Boundary Change</li><li>Receiving Students from Closure or Program Shift</li></ul>	<p><b>Cunningham ES</b> will welcome most students from Sunset Valley ES and some from Joslin ES along with boundary changes between Cowan ES, Oak Hill ES, Patton ES, and St. Elmo ES.</p> <p><a href="#">See South Elementary School Updates for more information.</a></p>	<p>If you currently attend <b>Cunningham ES</b>, you can continue to do so or choose to attend your new zoned campus if your address was reassigned.</p>	<p><b>Cunningham ES</b> feeds 100% into Covington MS.</p>	<p>N/A</p>

Starting in **Spring 2026**, we will work closely with families and staff to merge school communities thoughtfully. The new, combined campuses should **reflect the best of each and honor what matters most** to students, families, and staff. This means keeping important programs, clubs, and traditions that people care about. We want to keep what makes each school special and build a new school community that shows the strengths of both. [See our Transition Plans section for more information.](#)

If your school is **not closing** and **your current program is staying the same**, your child can continue attending the school through the **final grade level it offers**.

**Any student can apply to transfer to another campus.** [See our proposed Transfer Policy changes](#)
