Proposed Changes	What does this mean for my school?	What does this mean for my child next year?	What is my new feeder pattern?	Accountability Requirements
<ul style="list-style-type: none">Boundary Change	<p>Dobie MS will have boundary changes between Burnet MS and Webb MS. Many Dobie MS students were reassigned to Marshall MS when we created its boundary.</p> <p>See Middle School (North of the River) Updates for more information.</p>	<p>If you currently attend Dobie MS, you can continue to do so, or choose to attend your new zoned campus if your address was reassigned..</p> <p>Due to its TAP implementation, incoming 6th graders will have the option to continue to their previously zoned school if they were reassigned to Dobie MS.</p>	<p>Dobie MS feeds into LBJ ECHS or Navarro ECHS based on their address</p>	<p>Continues implementing 2025 Turnaround Plan</p>

Starting in **Spring 2026**, we will work closely with families and staff to merge school communities thoughtfully. The new, combined campuses should **reflect the best of each and honor what matters most** to students, families, and staff. This means keeping important programs, clubs, and traditions that people care about. We want to keep what makes each school special and build a new school community that shows the strengths of both. [See our Transition Plans section for more information.](#)

If your school is **not closing** and **your current program is staying the same**, your child can continue attending the school through the **final grade level it offers**.

Any student can apply to transfer to another campus. [See our proposed Transfer Policy changes](#)
