Proposed Changes	What does this mean for my school?	What does this mean for my child next year?	What is my new feeder pattern?	Accountability Requirements
<ul style="list-style-type: none"><li>School Type Shift</li><li>Programming Change</li></ul>	<p><b>Govalle ES</b> will no longer have a boundary and will welcome students from Winn Montessori as a non-zoned elementary school, supporting the district's Montessori program. Students will be reassigned to Ortega ES and Zavala ES based on their address but are encouraged to stay at Govalle ES and participate in the Montessori program.</p> <p>Students from Winn Montessori and Govalle ES will be prioritized next year; other students can apply to participate in the program. We will support families and staff to help them understand what it means to attend and work in a Montessori school and how the program works.</p> <p><a href="#">See East Austin Elementary School Updates for more information.</a></p>	<p><b>If you live in Govalle ES's current boundary</b> you can attend your new zoned school or apply for a priority seat at Govalle ES and participate in the Montessori program.</p> <p><b>If you are a transfer student</b> you can return to your zoned school, apply for a priority seat at Govalle ES and participate in the Montessori program, or apply to transfer to another campus.</p> <p>We will work with teachers and families to understand what it means to attend a Montessori school and offer support for those that want to stay and participate.</p> <p>We plan to continue offering a dual language strand at Montessori in 2026–2027, with students merging from both campuses. As the program transitions to Govalle ES, we will carefully monitor enrollment and family interest. If the dual language strand is not able to sustain itself over time, it may be gradually phased out.</p>	<p>See page for your new zoned school.</p>	<p>Brings Turnaround Plan - School Improvement Strategies to Ortega ES</p>

Starting in **Spring 2026**, we will work closely with families and staff to merge school communities thoughtfully. The new, combined campuses should **reflect the best of each and honor what matters most** to students, families, and staff. This means keeping important programs, clubs, and traditions that people care about. We want to keep what makes each school special and build a new school community that shows the strengths of both. [See our Transition Plans section for more information.](#)

If your school is **not closing** and **your current program is staying the same**, your child can continue attending the school through the **final grade level it offers**.

**Any student can apply to transfer to another campus.** [See our proposed Transfer Policy changes](#)
