Proposed Changes	What does this mean for my school?	What does this mean for my child next year?	What is my new feeder pattern?	Accountability Requirements
• School Type Shift	**Joslin ES** will no longer have a boundary and will become a non-zoned elementary school, providing Spanish and Mandarin language immersion. Joslin ES neighborhood students will be reassigned to Cunningham ES and Galindo ES based on their address. See South Elementary School Updates for more information.	**If you are enrolled in the dual-language program** at Joslin ES, we encourage you to continue at this campus and participate in the school-wide Spanish and Mandarin language immersion program. You can also choose to attend your new zoned campus. **If you live in Joslin ES's current boundary and are not enrolled in dual-language** you can choose to enroll in the school-wide Spanish and Mandarin Language Immersion program or attend your new zoned campus. **If you are a transfer student and are not enrolled in dual-language**, you can return to your zoned school or apply to transfer to another campus.	See page for your new zoned school.	N/A

Starting in **Spring 2026,** we will work closely with families and staff to merge school communities thoughtfully. The new, combined campuses should **reflect the best of each and honor what matters most** to students, families, and staff. This means keeping important programs, clubs, and traditions that people care about. We want to keep what makes each school special and build a new school community that shows the strengths of both.
See our Transition Plans section for more information.

If your school is **not closing** and **your current program is staying the same**, your child can continue attending the school through the **final grade level it offers**.

Any student can apply to transfer to another campus. See our proposed Transfer Policy changes
