Proposed Changes	What does this mean for my school?	What does this mean for my child next year?	What is my new feeder pattern?	Accountability Requirements
<ul style="list-style-type: none"><li>• Boundary Change</li><li>• Receiving Students from Closure or Program Shift</li></ul>	<p>Pecan Springs ES will welcome students from the closure of Winn Montessori, with small boundary changes. Students living south of E 51st will be reassigned to Norman-Sims ES and a small group reassigned to Blanton ES.</p> <p><a href="#">See Northeast Elementary School Updates for more information.</a></p>	<p>If you currently attend Pecan Springs ES, you can continue to do so or choose to attend your new zoned campus if your address was reassigned.</p>	<p>Pecan Springs feeds 100% into Marshall MS.</p>	<p>Requires Turnaround Plan - Restart</p>

Starting in **Spring 2026**, we will work closely with families and staff to merge school communities thoughtfully. The new, combined campuses should **reflect the best of each and honor what matters most** to students, families, and staff. This means keeping important programs, clubs, and traditions that people care about. We want to keep what makes each school special and build a new school community that shows the strengths of both. [See our Transition Plans section for more information.](#)

If your school is **not closing** and **your current program is staying the same**, your child can continue attending the school through the **final grade level it offers**.

Any student can apply to transfer to another campus. [See our proposed Transfer Policy changes](#)
