Proposed Changes	What does this mean for my school?	What does this mean for my child next year?	What is my new feeder pattern?	Accountability Requirements
- Boundary Change - Receiving Students from Closure or Program Shift	Rodriguez ES will welcome students from Widén ES which will close, along with a boundary change between Houston ES. See Southeast Elementary School Updates for more information.	If you currently attend Rodriguez ES, you can continue to do so or choose to attend your new zoned campus if your address was reassigned.	Rodriguez ES feeds 100% into Mendez MS.	Receives Turnaround Plan from Widén

Starting in **Spring 2026**, we will work closely with families and staff to merge school communities thoughtfully. The new, combined campuses should **reflect the best of each and honor what matters most** to students, families, and staff. This means keeping important programs, clubs, and traditions that people care about. We want to keep what makes each school special and build a new school community that shows the strengths of both. [See our Transition Plans section for more information.](#)

If your school is **not closing** and **your current program is staying the same**, your child can continue attending the school through the **final grade level it offers**.

Any student can apply to transfer to another campus. [See our proposed Transfer Policy changes](#)
