

Austin Independent School District Turnaround Plan

Widén Elementary School

I. District Information

School System Name	Austin ISD (227901)
School Name	Widén Elementary
Name of the staff member employed by the school system completing this plan submission	Joshua Jeon
Email	joshua.jeon@austinisd.org
What role applies to the person completing this submission?	Executive Director of Governance, Accountability & Board Services

II. Needs Assessment

2.1 Please indicate the type of needs assessment conducted	I assure that the campus named in this plan has conducted an on-site needs assessment that meets the requirements in Section 39A.053 of the Texas Education Code. (e.g. Texas Strategic Leadership Landscape Analysis, ESF Diagnostic, or an LNA.) If LNA: I assure that all locally conducted needs assessments met the requirements in Section
	_
	request.
OSNA-WIDEN EL	Yes

III. Stakeholder Engagement

Guiding Question: Did the LEA meet statutory requirements for stakeholder engagement, and has the board approved the plan?

Campus Intervention Team (CIT) Members	Principal Widen EL: Benito Faz-Banda Principal Rodriguez EL: Monica Mills DCSI: Gerardo Medina Region 13 Contact: Elizabeth Deterra TEA Division of School Improvement: Dr. Monette Coleman

	Jennifer Pace, Assistant Superintendent, Elementary Schools Patricia De Luna, Executive Director Maria Vasquez, Assistant Principal Danielle Mohr, 5th grade ESL Teacher Kulvadee Rattananinad, Librarian Ashley Phan, Kinder DL Teacher Matthew Armstrong, Special Education Teacher Ana Villarreal, 2nd grade Teacher Jessica Whitby, Instructional Coach Ryan Nittinger, 5th grade Teacher Ronnie Rodriguez, Special Education Early Childhood Teacher
Date(s) of written notice to all public meetings Include dates when 1) written notice of the public meetings were provided and 2) posted on campus website.	 Widen September 3, 2025 - District Communication September 26, 2025 - Principal Coffee September 30, 2025 - CAC Meeting September 23, 2025 - Staff Meeting September 22, 2025 - Community Meeting October 16, 2025 - Campus ILT October 27, 2025 - CAC Meeting October 28, 2025 - Community Meeting with Superintendent Segura October 21, 2025 - Staff Meeting October 31, 2025 - Principal Coffee Rodriguez October 23, 2025 - TAP Community Meeting October 27, 2025 - Staff Meeting October 30, 2025 - Principal Coffee November 3, 2025 - CAC Meeting The district assures that written notice of all public meetings was provided to parents and students of each impacted campus, notice of the meeting was posted on each campus website, and this notice included the date, time, and place of the meeting.
Initial date of TAP being posted to the district website	October 6, 2025

Date of public hearing	November 20, 2025 I assure that the board conducted a hearing regarding the plans for each campus identified for school improvement to notify the public of the insufficient performance of the campus, the improvements in performance expected by the agency, and the intervention measures or sanctions that may be imposed if the performance does not improve within a designated period, the board solicited public comment on each turnaround plan, and the board posted the plan(s) on the district website prior to the hearing.
Date of board approval	November 20, 2025
Written Comments from stakeholders	Round 1 Widen Survey Responses • Widen Summary Round 1 Round 2 & 3 Widen Survey Responses • Widen Summary Round 2 Round 2 & 3 Rodriguez Survey Responses • Rodriguez Summary Round 2

IV. Student Outcome Goals

I assure that the campus included in this plan has set campus-wide goals for ELA/Reading and Math STAAR performance rates and scaled score goals for Domain III components (Academic Achievement, Growth Status, ELP Status, and Student Success Status) for the 2025–2026 school year.	Yes
Enter the campus-wide goal for the All Grades	The Domain 1 goal across all grades and subject areas would be 75% of tests at Approaches and Above, 35% of tests at Meets and above and 15% of tests at Masters. Below is a path to achieve an acceptable (C) rating in school years 2025-26 – 2027-28: 1. 70% of students achieve academic growth in Domain 2A, and by demographic groups evaluated in Domain 3. <and></and>

	<u> </u>
	 45% of Emergent Bilingual students will achieve composite growth or advanced high on the TELPAS assessment. <and></and> All students earn 50% of points or more on every STAAR assessment they take.
Enter the campus-wide goal for the All Grades Math and Reading Meets Grade Level or Above STAAR Performance rate for the 2025-2026 school year.	Campus-wide goal for reading meets and above is 35%. Campus-wide goal for math meets and above is 35%.
Enter the 2025-2026 Component Points campus goal for the Academic Achievement Component of Domain III.	Every group evaluated (All, Lowest performing racial/ethnic group 1, Lowest performing racial/ethnic group 2, High Focus Group) will show at least minimal growth towards the interim target in both reading and math. Component points: 4 ELA, 4 Math - 8/32, 25%
Enter the 2025-2026 Component Points campus goal for the Growth Status Component of Domain III.	Every group evaluated (All, Lowest performing racial/ethnic group 1, Lowest performing racial/ethnic group 2, High Focus Group) will meet the 2025-26 target in both reading and math. Component points: 12 ELA, 12 Math - 24/32, 75%
Enter the 2025-2026 Component Points campus goal for the ELP Status Component of Domain III.	40% or more of students taking the TELPAS assessment will achieve composite growth. Component points: 3/4, 75%
Enter the 2025-2026 Component Points campus goal for the Student Success Status Component of Domain III.	Every group evaluated (All, Lowest performing racial/ethnic group 1, Lowest performing racial/ethnic group 2, High Focus Group) will show at least minimal growth towards the interim target in both reading and math. Component score: 4/16, 25%

V. School Improvement Strategy **Guiding Question:** Is the proposed strategy likely to move the campus to a C or better OR CSI exit in two years or less?

What strategy or strategies will you implement for this campus?	Please write one of the following: • Closure/reassign
Which, if any, grants has your school system been awarded to support this strategy?	N/A
Which, if any, grants has your school system applied for (or intends to apply for) to support this strategy?	Still considering which of the following grants to apply for: • LIFT • LIFT PLC Support • School Improvement Curriculum and Instruction Support Grant • School Action Fund Planning (Restart), School Action Fund Implementation (Restart) • School Action Fund Planning (Reassign) • School Action Fund Implementation (Reassign) • School Action Fund Implementation (Redesign) • School Action Fund Planning (Create New) • School Action Fund Implementation (Create New) • Effective Schools Framework Focused Support Grant 24-26 • Our school system has not been awarded a grant to support this strategy • Other (must enter grant into text box)
Please name any organizations you are working with to build capacity and support strategy implementation	Please write one of the following: Other: The New Teacher Project TNTP TNTP is a national research, policy, and consulting organization focused on improving public education in the United States. The organization's mission is to ensure that every young person has access to excellent teachers and the opportunity to thrive. TNTP achieves this by working with schools and districts to recruit and train new teachers, develop talent management systems, conduct research on teacher effectiveness, and advocate for policy reforms.
How many district staff members will you be reporting capacity building information for?	There are seven staff members.
If the row above is District or Campus Staff: What are the names and roles of district and campus staff members	 Jennifer Pace Assistant Superintendent of Elementary Schools 50% Gerardo Medina - Executive Director If the row above is NOT an ESC or on the SAPL: Please describe the organization's or staff member's experience and track record in school turnaround (moving a campus TNTP - The New Teacher Project Summary of Partnership

 Reinhart-Instructional
 Coaches 40%

from failing to meet standards to meeting and/or exceeding standards).

VIII. Closure and Reassignment

Guiding Question: Does the plan ensure that students are assigned to a higher performing campus?

Sending Campus Please indicate the number of campuses that will be assigned students from the closing campus:	2 campuses will be assigned students from Widen EL.
Receiving Campus(es) Data Campus Name CDCN Most recent state accountability rating Current enrollment Max enrollment Distance from closing campus Gof students from the closing campus that will be assigned to this campus Gof teachers from the closing	Campus 1: Rodriguez Elementary CDCN: 227901174 Most recent state accountability rating: D (69) Current enrollment: 372 Max enrollment: 784 Distance from closing campus: 1 Mile 69% of students from the closing campus to be assigned here % of teachers from the closing campus that will be assigned to this campus - Teachers from the closing campus will need to meet "highly qualified" eligibility requirements to move to Covington. These data points are currently under review to determine the number of teaching staff who meet that standard. Impacted employees will have the opportunity to share preferences for their next campus assignment. The Principals from other campuses will have discretion to hire staff. % of administrators from the closing campus that will be assigned to this campus - Administrators from the sending campus will be reassigned to another school within the district.

campus that will be assigned to this campus • % of administrators from the closing campus that will be assigned to this campus	If applicable, Campus 2: Houston Elementary CDCN: 227901162 Most recent state accountability rating: F (48) Current enrollment: 495 Max enrollment: 598 Distance from closing campus: 1.1 Mile 31% of students from the closing campus to be assigned here % of teachers from the closing campus that will be assigned to this campus - Teachers from the closing campus will need to meet "highly qualified" eligibility requirements to move to Covington. These data points are currently under review to determine the number of teaching staff who meet that standard. Impacted employees will have the opportunity to share preferences for their next campus assignment. The Principals from other campuses will have discretion to hire staff. % of administrators from the closing campus that will be assigned to this campus - Administrators from the sending campus will be reassigned to another school within the district.
Were A/B campuses considered for receiving students?	Yes
Please select the adopted curriculum for each receiving campus. Is this the curriculum that will be implemented for the duration of the plan?	Campus 1: Rodriguez Elementary: • Math: Stemscopes • Reading: HMH Into Reading/Arriba la lectura • Science: McGraw Hill • Social Studies: Social Studies Weekly If applicable, Campus 2: Houston Elementary: • Math: Stemscopes • Reading: HMH Into Reading/Arriba la lectura • Science: McGraw Hill • Social Studies: Social Studies Weekly Yes
If No above, what new curriculum will be adopted?	Not Applicable.
When will the district adopt the new curriculum?	Not Applicable.
How will the district ensure that each campus	The district will ensure compliance through multiple aligned systems. Campuses are required to follow the 2025–26 Master Schedule Guidelines, the

will meet the minimum instructional minutes required to implement the curriculum?	Elementary Essential Areas Standards of Service, and the Elementary Instructional Minutes Guidance when designing their schedules. To support implementation, the district provided professional development during summer 2025 on expectations for detailed and posted schedules. Ongoing monitoring will occur through principal supervisors and campus instructional leadership teams, who will conduct classroom observations and instructional rounds to verify adherence and provide support where adjustments are needed.
If there are fewer than 165 instructional days in the 2025-2026 calendar, what steps will the district take to ensure a 165-day calendar is adopted and implemented in 2026-2027?	Not applicable -
Please describe the assessment plan for the impacted campus(es).	Houston Elementary Rodriguez Elementary
Will the campus(es) implement a PLC structure?	Houston Elementary Rodriguez Elementary
How will PLCs be organized (by grade level, content area, etc.)?	Houston Elementary Rodriguez Elementary
How frequently will PLCs occur?	Houston Elementary Rodriguez Elementary
Who will facilitate PLCs?	Houston Elementary Rodriguez Elementary
Who is required to attend PLCs?	Houston Elementary Rodriguez Elementary
Please describe the PLC protocol to be used.	Houston Elementary Rodriguez Elementary

XII. Capacity Building

Guiding Question: Does the plan ensure that administrators and teachers receive appropriate job-embedded training?

· u 9 ·		
Please describe your	Lighthouse Schools:	i
planned training/PD	School Leader Professional Learning and Embedded Coaching Supports:	1

sessions (and who delivers and attends) for:

- -Principal manager
- -Principal
- -Other campus admin (assistant principals, instructional coaches) -Teachers

TNTP will provide school leaders (principal, assistant principal, instructional coach) with opportunities to develop their instructional leadership skills including understanding the district-adopted literacy and math curriculum, leading instructional rounds, and providing teachers with high-quality coaching through observation & feedback cycles. This development will occur biweekly, in alignment with the Learning Lab model.

District Wide PD led by Academics team and TNTP:

Monthly Principal Session: HQIM Implementation and MTSS Monthly AP Session: HQIM Implementation and MTSS Monthly IC Session: HQIM Implementation and MTSS

Progress Monitoring:

TNTP will support the district in monitoring progress toward literacy and math goals through formal classroom observations. TNTP will collect and analyze the progress monitoring data and facilitate two continuous improvement sessions to identify trends, guide strategy, and strengthen (Bi)Literacy instruction and math across the district and facilitate Continuous Improvement sessions for district leaders.

Learning Labs:

As Austin ISD and TNTP seek to expand the Lighthouse model in 2025-2026, all selected Lighthouse Schools will serve as sites for Learning Labs. To accelerate instructional leadership and improve student outcomes, Learning Labs are grounded in the belief that effective leader development must be strategic, consistent, and sequenced over time. Peer and cohort learning play a critical role in sustainable growth by fostering collaboration, shared problem-solving, and the exchange of best practices among leaders facing similar challenges. Differentiating leader development based on individual needs and school contexts ensures that learning is relevant, actionable, and responsive to each community's unique priorities. By engaging leaders in practical, real-time learning experiences within similar contexts and providing immediate opportunities to apply new skills, this approach not only deepens professional growth but also creates direct, positive impacts for students in their classrooms and school communities. Leaders participating in monthly Learning Labs will be supported with skill and knowledge building, authentic practice, and pre and post work.

Executive Director Professional Learning:

TNTP proposes a comprehensive approach to developing executive directors through monthly professional learning sessions and ongoing wraparound support. These sessions will focus on equipping executive directors to lead consistent cycles of support for their principals, grounded in data-driven coaching conversations, frequent instructional observations, and accountability for student outcomes. By building skills that are applicable across all content

areas and grade levels, this learning will strengthen executive directors' ability to drive instructional leadership, support principal growth, and ensure every school maintains a clear focus on improving teaching and learning.

Curriculum-Based Professional Learning:

Teachers participated in professional learning sessions delivered by the academics department based on HQIM and the district adopted instructional resources. In literacy, math, and science, all K-5 teachers attended content area sessions during August teacher inservice days where they received in person learning on using HQIM, RBIS, and had opportunities to lesson prep and lesson practice with their teams. In September, teachers participated in a required session regarding PLC data protocols using beginning of year screening data and curriculum-based assessment data. In November, teachers will receive various sessions regarding Tier 2 and Tier 3 district adopted instructional materials for reading and math, including refreshers on the MTSS process for identifying students for interventions and progress monitoring students who are receiving interventions. Additional sessions regarding HQIM and RBIS will be ongoing during district and campus designated professional learning days per the AISD calendar (November, January, and April)

How will you differentiate training for inexperienced (less than 2 years in role) and/or ineffective teachers/leaders?

Lighthouse Schools:

Teacher Coaching:

Throughout the school year, select teachers will receive biweekly one-on-one coaching with a TNTP staff member. These coaching sessions will focus on the effective implementation of high-quality instructional materials to ensure students receive systematic, explicit instruction and practice in foundational skills, both in and out of context. Additionally, teachers will be coached on delivering strong, comprehension-based lessons using high-quality texts to help students build knowledge. Teachers will also develop a deep understanding of best practices for center implementation, effective small-group instruction, and differentiation of materials.

What tool will be used to evaluate implementation of the training (for example, classroom walkthrough tool, leadership coaching tools)? What look fors will be included in this tool?

MTSS Literacy Walkthrough Tool

The AISD Literacy Classroom Walk Through tool is designed to support instruction in both Tier I and Tiers II & III to align with AISD's definition of excellent (bi)literacy instruction. Instructional leaders should use this form when observing in K-5 literacy classrooms and intervention. Note that there are separate indicators for Foundational Skills and Reading Comprehension as instruction should look very different in these settings.

MTSS Math Walkthrough Tool

The AISD MTSS Math Classroom Walk Through tool is designed to support instruction in both Tier 1 and Tiers 2 & 3 to align with AISD's definition of excellent math instruction. Instructional leaders should use this form when observing in K-5 math classrooms and intervention. Note that there are separate indicators for Numeracy Skills and Core Math Instruction as instruction should

look different in these settings.

PLC Leader Feedback Tool

This form is used to plan, observe, and give feedback on PLC meetings ensuring they are well-organized, focused on learning goals, and centered on instruction, collaboration, and data analysis. It guides reflection, supports actionable next steps, and helps leaders provide feedback that strengthens teaching and improves student outcomes.

Critical Deliverables Review and Feedback

This form is used to track campus progress on key instructional leadership deliverables such as core calendars, PLC planning, coaching caseloads, and instructional rounds and to provide targeted feedback and next steps to ensure consistent implementation and improved teaching and learning outcomes.

Principal Supervisors will observe campus PLCs and gather data on this tool to guide support at the district level.

How frequently will each teacher receive an observation from an instructional leader or coach, and receive feedback? Observations will take place daily by each administrator. Each administrator will have a clear and specific coaching case load where they will be observing and coaching teachers.

In addition, there will be weekly instructional rounds where all administrators will observe teachers at the same time to calibrate as a leadership team.

What capacity building supports related to supporting students in special populations will teachers and administrators receive?

Monthly Professional Learning Community (PLC) Focus for Special Education Teachers

In addition to one virtual PLC required for all special education teachers, case managers will attend another PLC dedicated to high quality IEP development and high leverage practices.

- Standards-Based IEP Development (SB IEP): Special Education teachers will receive intensive, data-driven training on the SB IEP process. The focus will be on utilizing comprehensive data to write high-quality, measurable Present Levels of Academic Achievement and Functional Performance (PLAAFPs) statements and goals that are rigorously aligned with grade-level TEKS. Training will be guided by the Austin ISD IEP Rubric and the TEA Cyclical Monitoring Guide Rubric.
- Explicit Instructional Practices (SDI): Special Education teachers will receive sustained professional development on high-leverage instructional strategies and the principles of Explicit Instruction to ensure that Specially Designed Instruction (SDI) is delivered systematically and with fidelity across all settings. This will significantly strengthen the campus's overall Multi-Tiered System of Supports (MTSS) and will revisit

concepts from TEA Tier Learn coursework.

Ongoing Administrative Support for Principals

Monthly individualized touchpoints for principals (led by the special education campus support coordinators) will ensure high-level oversight and compliance in the following areas:

- Scheduling Services for Students with Disabilities: Review best practices for creating master schedules that prioritize LRE and maximize student access to high-quality Specially Designed Instruction (SDI) within general education settings.
- Building and Enhancing Family Engagement: Strategies for fostering collaborative partnerships with families of students receiving special education services to improve outcomes.
- Federal and State Compliance Requirements: Focus on maintaining timely ARD meetings (annual, initial, and re-evaluation meetings), ensuring all services for students with disabilities are appropriately scheduled and delivered.
- Additional Focus on Monitoring Results Driven Accountability (RDA):
 Prioritization of student performance and appropriate placement.
 - Academic Outcomes: Monitor and analyze data on the academic progress and achievement for students with disabilities, particularly in math, reading, and science, to ensure continuous improvement and closing of achievement gaps.
 - Reduction in Out-of-School Placements: Review current placement data and strategies to ensure students are being educated in the Least Restrictive Environment (LRE). Develop and implement strategies to increase inclusion and reduce instances of disciplinary or instructional removals to settings outside the general education campus.

XIII. Milestones

Guiding Question: How will the strategy be implemented?

Date	Key Milestones (minimum: through the end of SY 26-28)
June - August 2025	 Summer professional learning: Detailed posted schedules Leadership roles & responsibilities (core calendar, coaching caseload, observation & feedback tracker) Professional learning plans (PLC protocols, ILT protocols, 1:1 meetings, and instructional rounds protocols) Transition planning Meet as a vertical team and district leadership to discuss/review

XIV. Performance Management

Guiding Question: Has the district outlined a performance management plan that ensures the strategy will be implemented with fidelity?

Please describe how district and campus leaders will monitor the successful implementation of this plan.	District and campus leaders will monitor assessment results of universal screeners, curriculum based assessments, and STAAR Interim assessments. Principal supervisors will visit the campus weekly to observe instruction, PLCs, and ILTs and monitor meeting agenda record and observation and feedback trackers with principals. TNTP will collect progress monitoring data in the fall, winter, and spring on the implementation of HQIM as intended.
Who will be responsible for reviewing progress towards the milestones described in the previous section?	Principal Principal supervisors/DCSI Elementary Director Assistant Superintendent
How frequently will progress toward milestones be reviewed?	Bi-Weekly
How will milestone progress data be collected?	Completion notes and artifacts will be linked in the shared campus TAP folder.
How will milestone progress data be shared with district leadership and other relevant stakeholders?	Completion notes and artifacts will be linked in the shared campus TAP folder.

XV. Resources

Guiding Question: Has the district identified all resources needed to implement the SI strategy?

		1 07
Please share the required costs to implement plan and source of funds	Pending final decision.	

If the strategy is contingent on a grant funding source, what is your alternative funding or implementation plan if you do not receive the grant? How would your district still support and execute this strategy?

Pending final decision.

XVI: Additional Info

(Optional) Please share any additional information about your strategy that was not included in the prior sections. You may also upload documents.

Key Implementation Strategies/Supports:

 Partner with TNTP to increase campus leaders' instructional leadership capacity through the Lighthouse & Learning Lab professional development and coaching program.

 Utilize leadership core calendars, leadership team meeting protocols, instructional rounds, coaching caseloads, observation and feedback trackers, one to one coaching, and hands on professional learning and application to build instructional leadership capacity.

 Provide monthly professional development to campus leaders, coaches, and interventionists on HQIM resources and implementation.

 Provide weekly to biweekly observation and feedback alongside curriculum focused on effective implementation of HQIM, increasing frequency for uncertified teachers.

 Provide coaching visits with principals and supervisors weekly, and increase frequency for novice leaders.

 Follow a posted, detailed, daily schedule that maximizes instructional time and allows for PLC meetings twice a week, to plan for instruction and respond to student outcome data.
