

# AISD Repurposing Conversations Sims Elementary Campus

June 6, 2023

# **Meeting Agenda**

- Welcome & Introductions
- Why Repurposing?
- Information about the Site
- Process & Timeline
- Feedback Discussion

## Repurposing is...

- Finding new uses for sites that are not being used as schools
- Responding to affected communities' needs
- Maintaining district sites as community assets

# Repurposing is **NOT**...

- Selling to the highest bidder
- Giving up control of the site
- Taking a one-time financial benefit

# **Repurposing Process**

### **About the Site**

Address: 1203 Springdale Road

Council District: 1 (Natasha Harper-Madison)

• Trustee District: 1 (Candace Hunter)

• Lot Size: 7.95 acres

• **Building Size:** 45,000 square feet

Year Built: 1956

### **Feedback Discussion**

- 1. How do you define the community?
- What are the challenges / needs of this community?
- 3. What future uses would you like to see at the Sims campus that would best address these needs and challenges?

## **Next Steps**
