

Anita Coy Repurposing Meeting- 2/26/2022

Question 1: What are some of the challenges you see facing the residents of your neighborhood?

- Truly affordable housing - want to make sure there is a focus on these folks:
 - Families being displaced
 - Median family income needs support- ~\$30k household income
- Open Park and soccer space for the community because so many high rises have been built recently
- Why would I spend time on this [proposal] e.g. AISD may just take Foundation Communities proposal. This is a trust question for any developer or the community. How do you know that it's not already biased to the old proposal?
- Many changes are forced on schools in the area. Our schools need stable enrollment to deal with the enrollment challenges.
- Instability of housing leads to other issues, such as mental health, domestic violence, etc... Housing isn't in a vacuum.

Question 2: What are some of the problems you see happening in Austin as a whole that may be affecting our families or teachers?

-

Question 3: What are some examples you've seen in other schools or neighborhoods, or in other cities altogether, to address similar challenges?

-

Question 4: How can we put this all together to envision a final solution to address the needs?

-
