

## Pease Repurposing Meeting- 3/3/2022

**Question 1:** What kind of educational opportunities are not being offered or supported district wide?

- An all transfer elementary school
  - A school of choice
  - Someone seconds and thirds this comment
  - We would like to have our school back.
- An early college high school feeding ACC- RGC
- We need an AISD elementary school downtown
- Programming that isn't site specific/campus sharing
  - Students and teachers would travel to other campuses throughout the week
- Satellite campuses for magnet programming
- Life skills for students
  - Financial
  - Job skills
  - etc...

**Question 2:** What educational opportunities could be enhanced or made more widely accessible if located at Pease?

- Magnet programming
- Elementary programming that focuses on civics, government
- An elementary school, the need has grown
- Multiple educational programs, multiple educational uses seems more impactful than a school
- Housing for teachers and staff, if legally possible
- A school that is about innovation, entrepreneurship, stem
  - Many startups downtown that relate to these fields
- ALC students and staff located at Pease
  - Would put students near social justice organizations in the neighborhood
- Social justice programming @ Pease
- Cedric Benson program could expand to Pease campus

**Question 3:** What are some examples of programming you've seen in the community, or in other schools, that could address academic needs or offer enrichment opportunities?

- 

**Question 4:** How can we put this all together to envision a final solution to address the needs?

- Use the spaces for housing homeless women with children and for homeless teens
  - Increased need for housing.
  - No one better to come into community than women and children in need
