Empower Hour: Family Voices on Inclusion

Presented by Bailey Gates & the Special Education Inclusion Workgroup

As part of Inclusive Schools Week, the Inclusion Workgroup invites families to join a special session. The event will feature family testimonials about inclusion, updates on the group's ongoing work, and a parent town hall where families can share feedback about what inclusive schools mean to them. This is a great opportunity to learn, connect, and help shape the future of inclusive practices in our schools.
