Family Empower Hour on the Road: Practical Tools & Resources for Home & Community

Presented by Bree Rolfe

Join us for a practical workshop designed to help families navigate the "second shift"—the transition from the school day to home routines. Discover actionable strategies to prep your student for the upcoming winter break, keep them on consistent routines throughout the time off, and move from survival mode into predictable, smoother daily schedules while supporting your child's behavioral and sensory needs. We will also share valuable community resources to help support your family beyond the classroom.

Open to all families and caregivers of students with disabilities.

8 - 9:30 a.m. | **Mendez Middle School** ,5106 Village Square Drive, Austin, TX 78744

Wednesday **Dec. 16**

Family Empower Hour: Hands-On Learning for Early Learners

Presented by the Early Childhood Special Education (ECSE) Team

This presentation will explore the Texas Prekindergarten Guidelines and the key developmental domains that support early learning and school readiness. Families and educators will learn practical, engaging, and easy-to-implement strategies to support learning across all domains through everyday activities and play-based experiences at home.

Open to all families and caregivers of students ages 0-5.

12 p.m. | **Zoom: bit.ly/SPEDsessions**
