PROCEEDINGS

Preliminaries

- The open meeting was started by Lynn Boswell at 5:37 pm

Public

- Ann Alansworth- Parent at Barton Hills- Issues with the incident that occurred at Barton Hills last week, for shelter in place and eventually lockdown. Concerns that the individual in question was walking amongst students during drop off. Believes there are a number of failures during the incident.
 - Recommend that there is a synchronization of terminology between departments and districts during incidents.
 - AISD Emergency Management Operations (EOP) should be amended to reflect arrival and dismissals within the SOP of secure, shelter in place, etc. What is the best option?
 - AISD should not delay these critical incident solutions.
 - Work with the community to make things better and improve these situations.
 - Back into Open Session at 7:06 pm
