

## NORTHEAST ECHS SCHOOL COMPACT 2025-2026

Research shows that when parents are engaged in schools, students achieve more, attendance is better, grades and test scores are higher and graduation rates increase. Students are also more likely to reach their highest potential for intellectual, social, emotional and physical growth. Family engagement in education is critical for the success of students. To accomplish this, parents, teachers, and students need to work together. We ask that you agree to do this by signing and returning this agreement.
