Research shows that when parents are involved in schools, scholars achieve more, attendance is better, grades and test scores are higher and graduation rates increase. Students are also more likely to reach their highest potential for intellectual, social, emotional and physical growth. Family involvement in education is critical for the success of students. To accomplish this, parents, teachers, and scholars need to work together. We ask that you agree to do this by signing and returning this agreement.

Parent Agreement

As a parent(s), I will help my child meet his/her responsibilities. I will be responsible for:

- Sending my child to school on time each and every day
