Students without an Immunization Record

- **A student has never attended school before, or is transferring from out of state.**
  - The student may be enrolled provisionally for 30 days while awaiting the transfer of the immunization record.

- **A student is transferring from another school within Texas.**
  - The student shall be admitted temporarily for 30 days if acceptable evidence of vaccination is not available.
  - The school shall promptly refer the student to the appropriate health provider to obtain the required vaccines.

- **A student is homeless or is in foster care.**
  - The student can be enrolled provisionally for no more than 30 days if transferring from one school to another and waiting on the transfer of the immunization record.

- **A student is a dependent of a person who is on active duty with the Armed Forces of the United States.**
  - The student can be enrolled provisionally for no more than 30 days if transferring from one school to another and waiting on the transfer of the immunization record.

The student cannot be enrolled until an immunization record is provided. Once received, if the immunization record indicates that the student has received at least one dose of each specified age-appropriate vaccine required and is on schedule to receive subsequent doses as rapidly as medically feasible, the student may be enrolled provisionally.
