

**Question: What happened to the students who were enrolled on the fall snapshot date in 2006-07 and were not enrolled at the end of the school year?**

**Response:**

In the fall of 2006-07, 713 students were enrolled at Johnston High School on the “snapshot” date. At the end of the school year, 563 of those students remained enrolled at Johnston. Of the 150 “snapshot” students who were no longer enrolled at Johnston by the end of the school year, only 35 remained active in AISD at other schools.
