## 2016-2017 COORDINATED SCHOOL HEALTH REPORT

Principal: Kati Achtermann  
Physical education teacher: Courtney Perry  
CSH team member: Jennifer Pollard

### Results

Coordinated School Health (CSH) Program implementation data were collected from each Austin Independent School District (AISD) campus in Spring 2017. The results indicated that Barton Hills Elementary School received a rating of **Exemplary** for the CSH Program implementation in 2016–2017. Campus results will be reflected in the District’s strategic scorecard and the House Bill 5 ratings, i.e., the School District Evaluation of Performance in Community and Student Engagement for wellness and physical education (TEC §46 (C) 39.0545).

CSH Implementation Summary	Score/Rating
Total achieved (of 19) required	19
Total achieved (of 80) supplemental	70
Total (of 6) Healthy Fitness Zones areas with “increased” status since the prior school year	2
2016-2017 CSH Rating	Exemplary

Source. 2015 AISD CSH Program Report

The rating scale<sup>6</sup> was based on identified activities that support coordinated school health efforts. There were 19 required and 80 supplemental opportunities for campuses to meet or exceed the AISD CSH Program standards. All campuses submitted enough data to be rated. Barton Hills Elementary School achieved 19 required and 70 supplemental items during the 2016–2017 school year.

One component of the supplemental credit earned was for yearly Fitnessgram improvement. The Fitnessgram measure includes a variety of health-related physical fitness tests that assess aerobic capacity, muscular strength and endurance, flexibility, and body composition. Scores from these tests are compared with healthy fitness zone (HFZ) standards to determine students’ overall physical fitness.

AISD campuses are encouraged to use their results to set goals for their Campus Improvement Plan.

<sup>6</sup> Rating scale: unacceptable – achieved less than the 19 required items; acceptable – achieved all 19 required and 25 or fewer supplemental items; recognized – achieved all 19 required and 26-48 supplemental items; exemplary – achieved all 19 required and 49 or more supplemental items.
