

## Survey Report

---

The sixth annual Austin Independent School District (AISD) High School Exit Survey was administered online to seniors in every AISD high school during Spring 2009. Facilitators on each campus, primarily *Project ADVANCE* counselors, were responsible for ensuring that all graduating seniors were given the opportunity to complete the survey.

This report contains the results for the Eastside High School Class of 2009. Where available, longitudinal data are presented to compare with the 2009 responses. In addition, average results from all AISD high schools are presented alongside results for Eastside for comparison purposes. In total, 3,365 students in the Class of 2009 completed the survey, including 94 students from Eastside. Longitudinal tests for statistical significance were conducted with district-level data (see district-level report). Table 1 presents longitudinal response rates by campus and by district. Next, major findings are presented, followed by open-ended campus-level responses and, finally, responses to the multiple choice items from the survey.

The report is structured as follows. First, a brief summary of key findings from the 2009 High School Exit Survey is provided. This summary is followed by a selection of open-ended student comments that capture the predominant themes that emerged from the student comments. Last, the detailed, item-specific results for each question from the survey are presented.

**Table 1. High School Exit Survey Response Rates, Classes 2007-2009**

	Class of 2007	Class of 2008	Class of 2009
All high schools	82.0%	74.8%	78.8%
Eastside	78.2%	72.4%	89.5%

### Major Findings

Student responses are organized into seven general topics areas: Open-Ended Comments; Postsecondary Intentions and Family Support; High School Experiences, Campus Climate, and Civic Engagement; Instruction and Technology; Postsecondary Preparation and Advising; and Final Thoughts. Some of the notable trends at this campus include:

- **Quality of instruction.** Eastside seniors seemed to have rated the quality of the instruction they received in writing and mathematics lower than other seniors. However, Eastside seniors appeared to have rated the quality of computer/technology instruction at their school more favorably than did seniors district-wide.
- **College preparation.** Compared to seniors across the district, fewer Eastside seniors appeared to have reported taking the PSAT exam, AP/IB classes, visiting college campuses, attending college fairs, taking college entrance exams, taking test preparation classes,

completing ACC courses, and ordering and submitting transcripts. More Eastside seniors said they had applied to a 2-year college than did other seniors. However, fewer Eastside seniors reported having applied to a 4-year college.

- **Financial aid:** Of those Eastside seniors who did not submit a financial aid application, they were far more likely than seniors at other campuses to claim they did not do so because their parents were unwilling to submit private financial information.

## INDIVIDUAL ITEM RESPONSES FOR EASTSIDE MEMORIAL HIGH SCHOOL

### OPEN ENDED COMMENTS

The responses below are to the question, “*What is the ONE thing that you especially want the administration of AISD to know?*”

Thirty-one (33%) provided a response. Many students mentioned general positive feelings about Eastside Memorial High School and expressed gratitude to the teachers and staff. Students were also generally pleased with the services provided by the College and Career Center at Eastside Memorial. Commonly identified themes expressed by the Class of 2009<sup>1</sup> include:

- **Positive comments.** Students felt teachers and staff were generally positive and helpful to students. According to one student, “*this is a super school*” “*EASTSIDE MEMORIAL HIGH IS GREAT!!!!*” “*One thing that i would want the administration of AISD would be that the school is trying there best*”
- **Counseling and career center.** Many students discussed how their College and Career counselors were helpful. “*My College and Carrer staff is great.*” “[REDACTED] *is a great College advisor and help*”

<sup>1</sup> All student quotes are taken directly from the survey, as typed in by the students. Examples are given to illustrate common themes.
