

McCallum High School

The Teaching, Empowering, Leading and Learning (TELL) AISD Survey gathers information about school conditions from the educators working in schools. TELL obtains perceptions on a variety of issues related to student achievement and staff retention. In 2016, 5,309 AISD teachers (91%) and 3,092 other campus employees completed the survey.

Survey Results

For each item in this report, the number displayed represents the percentage of respondents who agreed or strongly agreed with the statement. Arrows indicate statistically meaningful changes from one year to the next. Items marked with * were not asked that year. Please note: the comparison methodology was updated in 2015, therefore arrows may not match those in reports from
